Treating Couples

Claire Rabin

Treating Couples:

Treating Couples in Crisis Robert L. Barker, 1984 *Treating Couples Well* David C. Treadway, 2019-07-25 *Treating Couples Well* shows clinicians how to create a collaborative approach to couple therapy which will empower couples to take charge of their own treatment. Written in an engaging and conversational style, the book carefully explains how to help couples choose between a variety of clinical approaches and offers effective treatment strategies for a wide range of issues including infidelity, intimacy and sexuality, communication, mental illness, and addiction. Chapters also explore the importance of considering the therapist's own life experience and its impact on working with couples. Practical interventions, clinical vignettes, and homework exercises are included throughout to help therapists to successfully support the needs of each couple and to encourage meaningful work between sessions. Drawing on a plethora of case examples from the career of a leading couple therapist, *Treating Couples Well* will be a valuable resource to couple and marriage and family therapists at all levels.

Clinical Handbook of Couple Therapy, Fourth Edition Alan S. Gurman, 2008-06-24 This authoritative handbook provides a definitive overview of the theory and practice of couple therapy. Noted contributors, many of whom developed the approaches they describe, combine clear conceptual exposition with thorough descriptions of therapeutic techniques. In addition to presenting major couple therapy models in step-by-step detail, the book describes effective applications for particular populations and problems. Chapters adhere closely to a uniform structure to facilitate study and comparison, enhancing the book's utility as a reference and text. See also *Clinical Casebook of Couple Therapy*, also edited by Alan S. Gurman, which presents in-depth illustrations of treatment.

Clinical Handbook of Couple Therapy Jay L. Lebow, Douglas K. Snyder, 2022-11-14 Now in a significantly revised sixth edition with 70% new material, this comprehensive handbook has introduced tens of thousands of practitioners and students to the leading forms of couple therapy practiced today. Prominent experts present effective ways to reduce couple distress, improve overall relationship satisfaction, and address specific relational or individual problems. Chapters on major approaches follow a consistent format to help readers easily grasp each model's history, theoretical underpinnings, evidence base, and clinical techniques. Chapters on applications provide practical guidance for working with particular populations, such as stepfamily couples and LGBT couples, and clinical problems such as intimate partner violence, infidelity, and various psychological disorders. Instructive case examples are woven throughout. New to This Edition: Chapters on additional clinical approaches: acceptance and commitment therapy, mentalization-based therapy, intergenerational therapy, socioculturally attuned therapy, and the therapeutic palette approach. Chapters on sexuality, older adult couples, and parents of youth with disruptive behavior problems. Chapters on assessment and common factors in couple therapy. Chapters on cutting-edge special topics: relationship enhancement, telehealth interventions, and ethical issues in couple therapy.

The Ways We Love Sheila A. Sharpe, 2004-01-28 This volume delineates a developmental theory of love relationships that provides a comprehensive approach to treating couples. Drawing

on her 30 years of clinical experience Sheila A Sharpe conceptualizes marriage and other committed partnerships as comprising multiple patterns of relating that develop over time in a parallel though interconnected fashion Seven universal patterns of intimate relating are identified nurturing merging idealizing devaluing controlling competing for superiority and competing in love triangles Sharpe demonstrates how these patterns originate in a person's early experience are reworked in different ways throughout life and express everyone's basic needs for both connection and separateness Supplying vital insights and tools for therapeutic work the volume offers the clinician a multifaceted perspective on how couple relationships grow and what happens when their growth becomes derailed *A Life-Cycle Approach to Treating Couples* Anne K. Fishel, 2018-05-16 A Life Cycle Approach to Treating Couples draws on 30 years of clinical work and a rich body of research about lifecycle theory to offer couple therapists a guide to helping couples traverse six developmental stages dating and commitment transition to parenthood midlife couples launching and retiring couples late life couples and relationship endings For each stage the author offers clinical vignettes as well as questions and strategies for the clinician to pursue In this clear and authoritative book Fishel provides examples and research about clients who are diverse in their marital status sexual orientation race ethnicity SES and health Treating Couples Hilda Kessler, 1996-02-14 A Volume in the Jossey Bass Library of Current Clinical Technique Therapists who want to work skillfully with couples are often confronted with a confusing array of theories techniques and myths Treating Couples creatively addresses many of these challenging issues while shining a light to help therapists navigate through this confusing maze Ellyn Bader Ph D co director The Couples Institute Menlo Park California Treating Couples weeds through the treatment trAnds and presents a rational framework for assessing which methods will most effectively meet clients needs and expectations This is an accessible guide for the wide range of professionals who practice couples therapy Treating Couples promotes the clinical functions of evaluation assessment judgment and hypothesis formation and testing and will serve as an invaluable resource for determining which approaches are the most ethical flexible and creative for the effective treatment of couples 10 Principles for Doing Effective Couples Therapy Julie Schwartz Gottman, John M. Gottman, 2015-10-26 From the country's leading couple therapist duo a practical guide to what makes it all work In 10 Principles for Doing Effective Couples Therapy two of the world's leading couple researchers and therapists give readers an inside tour of what goes on inside the consulting rooms of their practice They have been doing couples work for decades and still find it challenging and full of learning experiences This book distills the knowledge they've gained over their years of practice into ten principles at the core of good couples work Each principle is illustrated with a clinically compiled case plus personal side notes and storytelling Topics addressed include You know that you need to treat the relationship but how are you supposed to get at something as elusive as a relationship How do you empathize with both clients if they have opposite points of view Later on if they end up separating does that mean you've failed Are you only successful if you keep couples together Compared to an individual client a relationship is an

entirely different animal What should you do first What should you look for What questions should you ask If clients give different answers who should you believe What are you supposed to do with all the emotional and personal history that your clients stir up in you How can you make your work research based No one who works with couples will want to be without the insight guidance and strategies offered in this book [10 Principles for Doing Effective Couples Therapy](#) Julie Schwartz Gottman, John Gottman, 2015-10-27 From the country's leading couple therapist duo a practical guide to what makes it all work In [10 Principles for Doing Effective Couples Therapy](#) two of the world's leading couple researchers and therapists give readers an inside tour of what goes on inside the consulting rooms of their practice They have been doing couples work for decades and still find it challenging and full of learning experiences This book distills the knowledge they've gained over their years of practice into ten principles at the core of good couples work Each principle is illustrated with a clinically compiled case plus personal side notes and storytelling Topics addressed include You know that you need to treat the relationship but how are you supposed to get at something as elusive as a relationship How do you empathize with both clients if they have opposite points of view Later on if they end up separating does that mean you've failed Are you only successful if you keep couples together Compared to an individual client a relationship is an entirely different animal What should you do first What should you look for What questions should you ask If clients give different answers who should you believe What are you supposed to do with all the emotional and personal history that your clients stir up in you How can you make your work research based No one who works with couples will want to be without the insight guidance and strategies offered in this book *Stepping into Emotionally Focused Couple Therapy* Lorrie L. Brubacher, 2018-03-09 This volume makes Emotionally Focused Couple Therapy EFT widely accessible to therapists of different orientations and to therapists in training It provides clinicians with practical tools an experiential tour through case examples and simple guidance to step into EFT An overview of the change events includes both client processes and therapist interventions moment to moment In *Stepping into Emotionally Focused Couple Therapy Key Ingredients of Change* each step and stage of EFT is laid out in a practical and theoretically simple manner that extends beyond what therapists need to do to helping therapists grasp what experiential therapy is providing moment by moment examples of how to engage clients emotionally and how to foster emotional engagement between partners From the Foreword by S Johnson and A Lee *The Practice of Emotionally Focused Couple Therapy* Susan M. Johnson, 2019-07-26 Since its original publication in 1996 *The Practice of Emotionally Focused Couple Therapy* has been the definitive guide for couple therapists supervisors and students wishing to practice emotionally focused therapy This cutting edge third edition addresses recent changes in the field of couple therapy including updated research results relating to clinical interventions expanded understandings of emotion regulation adult attachment and neuroscience and dynamic EFT applications for a range of issues such as depression anxiety sexual disorders and PTSD Chapters introduce micro interventions for use in EFT couple sessions as well as a systematic presentation of a macro set of

interventions called the EFT Tango Clinical examples are included throughout bringing the in session process of change alive and two case chapters offer in depth commentaries of Stage 1 and Stage 2 EFT sessions Written by the leading authority on emotionally focused therapy this third edition is an essential reference on all aspects of EFT and its uses for mental health professionals in the field of couple and marital therapy

Winnicott and 'Good Enough' Couple Therapy Claire Rabin, 2014-04-03 Claire Rabin innovatively applies the Winnicottian theory of the good enough mother to couple therapy redirecting attention to the therapeutic relationship and the therapist's self awareness regardless of the methods used Using this lens even the therapist's mistakes become an opportunity for repairing both the therapeutic relationship and the partners own personal maturity The intensity and pressure of couple therapy can make each case a test of the therapist's competence The need for neutrality constitutes on going pressure on the therapist and the proliferation of therapeutic methods can cause confusion about which might be most useful in each situation Applying theory effectively is easier said than done within the context of the powerful emotions unleashed in sessions which can result in a catastrophic atmosphere These factors can make it hard for therapists to utilise their own skills and knowledge within sessions of couple therapy The book explores how therapists and couples can unintentionally further false selves without realising how the very tools of change may counter authenticity Featuring interviews with an international range of couple therapists and case studies from the author's own experiences the key aspects of the good enough concept are elaborated Rabin shows how these ideas can strengthen therapists sense of security and safety in using their lived experience and intuition Winnicott and Good Enough Couple Therapy is the ideal book for clinicians seeking an overarching framework for working with couples or families as well as those concerned with the importance of the client helper relationship

Last Chance Couple Therapy Peter Fraenkel, 2023-01-10 Strategies and skills for therapists working with couples about to dissolve Therapy with couples on the brink of relationship dissolution involves unique challenges Partners present with high levels of conflict low levels of intimate connection disdain and discouragement and limited patience or hope These couples have often tried therapy without lasting success and announce that this is our last chance Partners want to see evidence in the first session that the therapist can offer something new and that change is possible Peter Fraenkel presents a practical creative integrative approach that combines action and insight oriented techniques to help last chance couples manage conflict modulate intense negative emotions address power struggles develop mutual compassion and restore emotional intimacy and pleasurable connection Special attention is paid to developing a collaborative therapeutic alliance when partners have little motivation for therapy or faith that it can be effective Through engaging in nonbinding experiments in possibility partners can then better evaluate whether to stay or go

Couples Therapy Daniel B. Wile, 1981-09-09 Presents an innovative approach to couples therapy based upon a nonadversary therapeutic model that encourages partners to incorporate their conflicts and fantasies into their relationship Sets forth a critique of the psychoanalytic behavioral and systems approaches and describes techniques for

patient therapist collaboration and supportive therapeutic intervention on behalf of each partner Includes strategies for handling angry partners withdrawn partners polarized partners and patients who reject the therapist's interpretations

Doing Couple Therapy Tobey Bobes, Barbara Rothman, 2002-04-30 How do couples get beyond the reactivity and blaming that destroy self esteem and good will How can couples sort out the multiple layers and complexities in their relationships Is it possible to move from impasse to dialogue Here in one brief volume are the answers to these questions and many others Doing Couple Therapy will be a lifesaver for family therapy students and beginning therapists In a straightforward manner the authors sift through years of family therapy theory to draw out for readers a treasury of ways to sort out the many factors past and present that crowd couples relationships These include family of origin issues previous relationships secrets children in laws unresolved issues job demands financial worries to name just a few The authors framework built from the major influential theories of family and marital therapy will enable therapists to work effectively and briefly though not superficially with couples The book not only presents theory but also links theory with practice An extraordinary contribution is the presentation of a typical case from beginning to end through tender moments rough spots family of origin work revelation of deeply held secrets alcohol abuse ultimatums and finally renewal of commitment to the relationship This practical real life guide to couple therapy will give both students and seasoned therapists a new take on the demanding work of couple therapy

The Working and Treating of Wrought Iron and Steel Harry Linn Campbell, 1927

Couples in Treatment Gerald Weeks, Stephen Treat, 2013-05-13 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company

Behavioral Couples Therapy for Alcoholism and Drug Abuse Timothy J. O'Farrell, William Fals-Stewart, 2006-08-16 This eminently practical guide presents an empirically supported approach for treating people with substance abuse problems and their spouses or domestic partners Behavioral couples therapy BCT explicitly focuses on both substance use and relationship issues and is readily compatible with 12 step approaches Provided are all the materials needed to introduce BCT implement a recovery contract to support abstinence work with clients to increase positive activities improve communication and reduce relapse risks and deal with special treatment challenges Appendices include a session by session treatment manual and 70 reproducible checklists forms and client education posters The large size format and lay flat binding facilitate photocopying and enhance the book's clinical utility

Couple Therapy Len Sperry, Paul Peluso, 2018-10-09 This new edition of Couples Therapy tackles four challenges currently facing the field 1 accountability and the increasing demands for demonstrating effectiveness as a condition for reimbursement 2 the need for practitioners to reconfigure their practice patterns in an ever involving health care system 3 training mental health practitioners who have not completed marital and family therapy MFT programs and 4 integrating new couples approaches and interventions into everyday clinical practice The book offers a focused vision and successful strategies for working effectively with couples both today and tomorrow It incorporates the best insights from the neurosciences as well as new couples theories research and

evidence based interventions introducing approaches including psychoanalytic systemic cognitive behavioral Adlerian constructivist third wave integrative and mindfulness based Chapters also present practical applications and professional considerations with a comprehensive look at how to work with diverse issues in couples therapy such as substance abuse domestic violence sexual dysfunction infidelity aging and much more This third edition of Couples Therapy is an essential resource for students as well as mental health practitioners social workers and family counselors who are keen to better meet the needs of couples and the demands of the changing healthcare landscape
