**From Grace to Glory** Octavius Winslow,2025-06-01 What does it mean to be born again Well to some this may seem to be a one time event in their lifetime commonly identified as conversion Winslow

does indeed agree with the place conversion takes in the story of redemption as applied to the individual However he puts the whole new birth into a much wider perspective from grace to glory He shows that the experience of being born again takes a man from being lost totally unable to redeem himself to the place of regeneration And he does not stop there He goes then with that man from where he is the recipient of God s astounding grace to where he is bestowed the eternal glory This book was originally published in 1864 This edition has been proofread typeset for eBook readers and lightly updated for modern readers
