A America is again facing forward to the sea The ancient thrill of the wide salt spaces of the broad horizon beyond which  
adventure beckons us appeals once more to the youth of America We are living in times when the great importance of the sea  
as a career comes home to us at every turn The sea is the great bulwark of our liberty and by the sea we must persevere or  
perish in the world struggle of Anglo Saxon democracy against the powers of autocratic might When America returns to her
