Boyer, 2018-09-10 Contemplation is a spiritual process involving long thoughtful steady serious and attentive consideration or observation in order to achieve closer unity with God and to discover and understand God s will for the contemplative Contemplation gives rise to activity and activity in turn gives rise to more contemplation The result of contemplation is often called discernment seeing clearly what is at first not very clear or obvious understanding what is not immediately obvious resulting in accuracy of spiritual perception Divine discernment is contemplation in action it results in insight inspiration and an awareness of inner truth upon which one must act While there are countless models of contemplation leading to action the ninth century BCE prophets Elijah and Elisha are the examples used in this book Both are seers messengers and heralds of the LORD They appear in activity when they are needed and they disappear into solitude and silence when they are not

**Under the Broom Tree** Natalie Homer, 2021-09-26 Poems that explore the wilderness in order to find rest and divine providence In the story of the prophet Elijah he must flee his home and after an arduous journey he arrives under a broom tree where he prays for his own death But in his sleep he is touched by an angel who provides food and water In this moment the broom tree becomes a symbol for shelter in a barren landscape a portent of hope and renewal Drawing inspiration from this tale Natalie Homer's debut poetry collection is a trek through the wildernesses of the heart and of the natural world Exploring the idea of divine providence Homer finds seams of light opening between forlorn moments and locates something to run a finger through something to shine in the other light Within these narrow spaces Homer explores themes of longing home family and self worth amidst the wondrous backdrop of the American West and the Rust Belt while integrating a rich mythology of narrative image and association The broom tree offering the capacity for shade and respite becomes a source of connection and an inspiration for the collection It is an invitation to sink deep into the earth and self and feel the roots entwine

**Struggling Under the Broom Tree** Bill Gehm, Angela Gray, 2021-12-10 When we think about Elijah most often we think of a man who walked closely with God who was bold and who did miracles in His name all of which was true But Elijah was also a man who struggled like we do with fear doubt and even depression He is an ancient example of a still existing truth it is not we who are strong but God Almighty who works in and through us We must be fully reliant on our Savior the Lord Jesus Christ as we face each day and its difficulties In this book we will study the life of Elijah and how God's faithfulness to him in the circumstances of his life brought him out from under the broom tree of despair If God did this for him surely God can do the same for you and I

*Berit Olam: 1 Kings* Jerome T. Walsh, 2023-07-14 The narratives of Solomon and Jeroboam of Elijah and Ahab have fascinated readers for millennia Even apart from questions of historical authenticity they are gripping stories of richly drawn characters caught up in the complex tale of God's dealings with Israel This study explores the narrative world created by 1 Kings ancient Israelite author the people who inhabit it the lives they live the deeds they do and the face of God who is revealed in their stories An introduction explains the significance of 1 Kings as a historical narrative Originally intended as a literal history after centuries of writing and rewriting it is now as much a literary work as a historical one The views of those who formed it can be discerned and studied Walsh also explains how the rich traditions of Hebrew prose narrative and the Hebrew language itself affect our reading of 1 Kings
