## **Understanding Field Social Work:**

**The Routledge Handbook of Social Work Field Education in the Global South** Rajendra Baikady, Sajid S.M., Varoshini Nadesan, M. Rezaul Islam, 2022-07-08 This handbook provides an authoritative account of social work field education in the global south. It presents an overview of various aspects of theory and practice modules in the social work curriculum and advances in research in social work field education in the developing world through in-depth analyses and global case studies. Key features: Discusses critical issues and new directions in the theory and practice of social work field education; challenges in field work education; decolonising field work training; developing competent social work graduates; aligning fieldwork with cultural practices in indigenous communities; the idea of clinical social work and a comparative analysis of social work field supervision. Integrates theory and practice of social work field education for students and teachers from diverse geographical and cultural contexts across the global south including countries from South Asia and Asia, Africa and Latin America and the Caribbean covering India, Bangladesh, Pakistan, Nepal, Sri Lanka, China, Georgia, Philippines, Turkey, Papua New Guinea, Eswatini, Republic of Trinidad and Tobago, Kenya, Nigeria, South Africa, Botswana, Chile and Barbados. Brings together international comparative perspectives on field work education in social work from leading experts, social work educators and social work professionals. This handbook will be an essential resource for scholars and researchers of social work, development studies, social anthropology, sociology, education, South Asian studies and Global South studies. It will also be useful to educators and practitioners of social work in global institutions of higher studies as well as civil society organisations.

*The Palgrave Handbook of Global Social Work Education* Sajid S.M., Rajendra Baikady, Cheng Sheng-Li, Haruhiko Sakaguchi, 2020-10-23 This handbook addresses the issues and challenges of the delivery of social work education in the contemporary world. It provides an authoritative overview of the key debates, switching the lens away from a Western-centric focus to engage with a much broader audience in countries that are in the process of modernization and professionalization alongside those where social work education is more developed. Chapters tackle major challenges with respect to curriculum, teaching practice and training in light of globalization, providing a thorough examination of the practice of social work in diverse contexts. This handbook presents a contribution to the process of knowledge exchange which is essential to global social work education. It brings together professional knowledge and lived experience, both universal and local, and aims to be an essential reference for social work educators, researchers and students.

**Ubuntu Philosophy and Decolonising Social Work Fields of Practice in Africa** Janestic Mwendé Twikirize, Charlotte Tusasiirwe, Rugare Mugumbate, 2023-10-24 This book addresses a recurrent gap in social work literature by examining Ubuntu as an Indigenous African philosophy that informs social work beyond the largely residual and individualistic conceptualisation of social work that currently prevails in many contexts. Owing to the lack of social work theories, models and generally literature that is locally and contextually relevant, most social work lecturers based in African context struggle to access learning materials.

and texts that centre local indigenous voices and worldviews It is within this context that the ubuntu philosophy has gained traction There is increasing consensus that Ubuntu as an African philosophy and way of life has the potential to be used as a decolonising framework for social work education and practice Theorising from Ubuntu can influence and be the foundation for African social work theory and knowledge social work values and ethics social work research and policy and Ubuntu informing different fields of social work practice like social work with older people children and young people ubuntu and poverty alleviation ubuntu and the environment among others Drawing together social workers engaged in education research policy practice to theorise Ubuntu and its tenets philosophies and values this book shows how it can be a foundation for a decolonised more relevant social work education and practice in African contexts Narrative Social Work Clive Baldwin,2013-03-27 Interest in the contribution narrative can make across many disciplines has been booming in recent years but its impact in social work has been limited It has mainly been used in therapeutic intervention such as narrative therapy social work education or personal accounts This is the first book to extend the narrative lens to explore the contribution of narrative to social work values and ethics social policy and our understanding of the self in social cultural and political context The book firstly sets out theoretical concerns and then applies them to specific areas of social work including child protection mental health and disability The author argues that narrative is a richly textured approach to social work that can enhance both theory and practice As such the book will be of interest to social work students practitioners and educators policy makers and those interested in the application of narrative to professional practice Working Inter-Culturally in Counselling Settings Aisha Dupont-Joshua,2003-09-02 Explores how racial issues can be recognised and worked with in a practical clinical setting looking at how this setting can influence practice International Social Work David Cox,Manohar Pawar,2012-12-04 International Social Work Issues Strategies and Programs Second Edition draws together the practice wisdom emerging within the broad scope of international social work practice and its role in contributing to the international community s efforts in combating the major global social problems of poverty conflict and postconflict reconstruction the development of countries and disadvantaged populations migration and displacement and the needs of specific populations such as child soldiers and AIDS orphans Utilizing an integrated perspectives approach incorporating global human rights ecological and social development perspectives the International Social Work 2e is designed to prepare social workers human services professionals development practitioners who desire to play significant roles in responding to modern global challenges that are critical to the well being of people communities nations and ultimately of us all **Self-Care and Burnout Prevention for Social Workers** Benjamin Oye, Self Care and Burnout Prevention for Social Workers Tools for Personal Wellness in High Stress Professions In a profession where caring for others is at the core social workers are often left with little time or energy to care for themselves Self Care and Burnout Prevention for Social Workers is a timely and compassionate guide that empowers professionals to prioritise their own wellbeing without
