Love & Light Clayton Tylor,2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth

Who Is Phaedrus? Marshall Bradley, 2012-11-06 Who Is Phaedrus? This book delivers answers. Many have said Phaedrus is the most intriguing of Plato's works. Phaedrus is certainly one of the most difficult to follow and fathom. In part, this is because the title figure, Phaedrus himself, has remained a mystery. Who Is Phaedrus? takes us on a tour of this intricate dialogue, a work of philosophy and history and a work of art. In *Who Is Phaedrus?* we see how and why Phaedrus became involved in the most sensational scandals, both religious and political, in ancient Athens, and yet we see Phaedrus come across as a person remarkably contemporary, someone who could walk through a time seam and be wholly understandable as a soul in the twenty-first century. Perplexed as well as perplexing, Phaedrus, in the final analysis, needs Socrates' timeless philosophy as a salve and therapy, and we follow along as Socrates delivers.
