Wishing Bone Poems:

The Wishing Bone, and Other Poems Stephen Mitchell, 2003-03-01 Amusingly absurd and playfully profound this delightfully illustrated volume of original poems is sure to tickle the fancy of children and adults alike It happened on a winter s day The air was cold the sky was gray Out walking in the woods alone I came upon a wishing bone What would you do if everything you wished came true How does a white rhinoceros take his tea Where can you find the elusive purple tiger Who wanders in the whiffle bog on a bilgy bulgy night Resonating with childlike questions the fanciful poems in THE WISHING BONE invite readers to think and to dream Full of illustrations as fresh and whimsical as the verse here is a collection to read aloud and savor for its sheer verbal and visual exuberance The Wishing Bone Cycle Howard A. Norman, 1976

The Wishbone Dress Cassandra J. Bruner, 2019 Poetry LGBTQIA Studies An ode for an intentionally hunted antlered doe Elegies voiced by a woman with eight eyes and web glands The last confessions of a bound witch waiting for the torch to drop In Cassandra J Bruner s THE WISHBONE DRESS these personas and others careen into and cycle around another larger narrative a young femme s transition and her splintered path through wildernesses both exterior and interior Bruner s debut chapbook navigates the slippery terrain of gender faith illness law and loss serving both an invitation and a declaration that when reimaged the body learns its shape

Wishbone Don Share, 2012 What strikes a reader first encountering Don Share s work is the electric energy of his lines their contemporary music and movement Reading Wishbone Share s third book is akin to picking up the one clear station still transmitting the frenetic static of the world replaced by a strong signal broadcast Share s poems are contrapuntal ripostes to the Babel of the present a voice not above the noise but speaking from its midst in a self possessed language that muscles a new way into meaning The poems take place in America s backyards and byways intensive care rooms and airports haunted by fathers and Fathers informed by philosophy the Judeo Christian tradition and pop culture One finds the poet there too less his portrait than a self deprecating likeness in the crowd the Renaissance master in the corner of the canvas decrying and defending his umbrella out and Cubs cap on curiously Odyssean in the Loop and always at the ready

Wishbone Priscilla Lee, 2000 A fascinating eclectic mix of tongue in cheek laughter and heartbreak Wishbone is a reflection on life at first seen through the eyes of a child forced to grow up before her time and later by a woman facing her past These courageous poems chronicle the life of an Asian American woman at the crossroad of two cultures transforming her conflicting experiences into self acceptance strength and a wild free happiness

Wishbone in a Lightning Jar Sharon Harmon, 2023-01-13 What would I write in a message to my future self Is the enigmatic question Sharon Harmon s poetry asks Each of these poems portrays a window into the landscape of the heart exploring the whimsy as well as the sorrow it holds Wishbone in a Lightning Jar is a poetic journey which illuminates and celebrates the poignant moments of a deeply felt life by Thurston author of Nightwalking and Saving the Lamb These words are earthy tell a story of the wealth in human nature when you are poor Where you can find treasures in the woods and

heartaches in life How one dreams but only those with the means ever get close to theirs The stigma of being poor follows you everywhere even to the church The family without a father with brothers to love struggle and fight with as the years go by Pain is no stranger and there are new beginnings as the cycle plays like a broken record This is what one will find here Paul Richmond Human Error Publishing *Wishbone Voices* William Rivera,2019-03-08 **Snap of the Wishbone** Paul Harris,1972 **Wishbone** Adele Martin,2019-09 Sometimes you wish for a better life and a better future But life isn't perfect Nothing is perfect Wishbone is a poetry collection which talks about life Life isn't easy and Wishbone tries to explore both sides of life The heartbreak and love in which life gives you Wishbone Let us make a wish **The Wishbone Galaxy** Kim Roberts,1994 *Technicians of the Sacred, Third Edition* Jerome Rothenberg,2017-08-22 A wide ranging anthology of ethnopoetry including origin texts visionary texts texts about death texts about events collected from Africa the Americas Asia Europe and the Ancient Near East and Oceania Provided by publiher *Taboo* Yusef Komunyakaa,2004 A collection of poetry informed by the elusive and improvisational riffs of jazz explores a world of interconnectivity as it assesses the roles of blacks in Western history and how these roles are captured in literature and art **Love's Wishbone** Robert Pfeiffer,2024-01-02 Love's Wishbone by Robert Pfeiffer are the poems of a father husband and human at midlife melancholy nostalgic tinged with regret yet ultimately hopeful for the future trying to find meaning in moments before it's too late

Wishbone Stirling Bowen,1930 *Wishbone* Elspeth Smith,2007-09-25 *Postcolonial Love Poem* Natalie Diaz,2020-03-03 WINNER OF THE 2021 PULITZER PRIZE IN POETRY FINALIST FOR THE 2020 NATIONAL BOOK AWARD FOR POETRY Natalie Diaz's highly anticipated follow up to *When My Brother Was an Aztec* winner of an American Book Award *Postcolonial Love Poem* is an anthem of desire against erasure Natalie Diaz's brilliant second collection demands that every body carried in its pages bodies of language land rivers suffering brothers enemies and lovers be touched and held as

beloveds Through these poems the wounds inflicted by America onto an indigenous people are allowed to bloom pleasure and tenderness Let me call my anxiety desire then Let me call it a garden In this new lyrical landscape the bodies of indigenous Latinx black and brown women are simultaneously the body politic and the body ecstatic In claiming this autonomy of desire language is pushed to its dark edges the astonishing dunefields and forests where pleasure and love are both grief and joy violence and sensuality Diaz defies the conditions from which she writes a nation whose creation predicated the diminishment and ultimate erasure of bodies like hers and the people she loves I am doing my best to not become a museum of myself I am doing my best to breathe in and out I am begging Let me be lonely but not invisible Postcolonial Love Poem unravels notions of American goodness and creates something more powerful than hope in it a future is built future being a matrix of the choices we make now and in these poems Diaz chooses love
