

With Nixon

Raymond Price

With Nixon:

With Nixon Raymond Price, 1977 The author recounts the years he spent as a speechwriter for Richard Nixon and discusses the people and events of those White House years

Behind Closed Doors Ken Khachigian, 2024-07-23 Named American Spectator's Political Book of The Year A compelling insider's account by the trusted adviser and confidante to America's presidential giants and political legends as he draws the curtains back on his most private moments with Ronald Reagan and Richard Nixon during revolutionary changes in our economy politics communications foreign policy and culture Ken Khachigian has written the most lucid most important work about the postwar period For an inside look at how ugly politics can be and how noble you cannot miss this book I still love Ken after fifty years and you will too when you read this jewel of a memoir Ben Stein Economist law professor multi Emmy awarded actor speechwriter for Presidents Nixon and Ford novelist and screenwriter This is essential reading for anyone wanting to know how Ronald Reagan shaped his crusading message of economic growth through tax cuts and limited government Khachigian's is a fascinating account by one who takes you into the rooms where the decisions were made Larry Kudlow Host of Fox Business Network's Kudlow and Former Director National Economic Council To understand Nixon and Reagan the two crucial Presidents and coalition builders of the last third of the 20th century the insights of Ken Khachigian the confidant who advised them both seem indispensable Pat Buchanan White House Aide to Presidents Nixon and Reagan Ken Khachigian is a great conservative and patriot and his book will give you the inside view of a presidency that will go down in history as one of greatness and strength Ed Rollins Ronald Reagan's White House Political Director Ken Khachigian offers a riveting account of his thrilling journey through American history at the sides of two monumental Presidents If you care about where America has been and where it's going this is a must read Monica Crowley Ph D Former Assistant Secretary of the Treasury News Analyst and Bestselling Author Ken Khachigian will draw you inside a generation of White House leadership and details how Reagan revived the American economy and lit a prairie fire of patriotism across America K T McFarland American political candidate former government official and political commentator Mr Khachigian now 79 and retired and an occasional contributor to this newspaper's opinion pages concludes his anecdote rich book with an expression of gratitude to both Nixon and Reagan saying that it was wonderful good fortune for me to have been at their service and for the country for each of them to have served Wall Street Journal Behind Closed Doors is a rich repository of hitherto unknown but highly significant stories about two leaders who many of us thought we knew everything about but obviously didn't NewsMax

A Companion to Richard M. Nixon Melvin Small, 2011-04-18 This companion offers an overview of Richard M Nixon's life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon's legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes

extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project

Nixon, an Oral History of His Presidency Gerald S. Strober, Deborah Hart Strober, 1994 The book covers the entire Nixon presidency not just Watergate and Nixon's resignation It analyzes his domestic programs during his first term and partial second term and his conduct of foreign affairs including his surprising opening to the Communist Chinese a strategically brilliant diplomatic move because it reinforced China's split from Moscow It also explores his highly controversial handling of the Vietnam War he inherited from Lyndon Johnson Particularly criticized are the long drawn out secret peace negotiations that cost the United States and South Vietnam many thousands of casualties because of Nixon's determination not to be seen as losing the war an effort that subsequently failed

After Watergate Michael A. Endicott, 2018-12-18 No one had an inside view of the renaissance of Richard Nixon after Watergate better than the Secret Service Agent by his side for fourteen years Michael Endicott This is a story about politics history and power But most of all this is a story about a working class kid from the south side of Tacoma Washington who became a Secret Service Agent and traveled the world building a relationship with one of America's most controversial Presidents Richard Nixon and Mrs Nixon This is a story about perseverance and friendship and a story no one else can tell Not the many presidential biographers and historians and not even Nixon himself in his many memoirs ever discussed Nixon the man who longed to rehabilitate his legacy and how a Secret Service Agent became his confidant in reshaping history Retired Secret Service Agent Michael Endicott spent thousands of hours with Nixon and fills in a vital puzzle piece in history that answers the question Whatever happened to Richard Nixon when he waved goodbye to the White House to a flawed presidency in a nation that wanted to put Watergate behind them As newly assigned detail leader Endicott picks up the story after the Nixons five years in exile in San Clemente California and the statesman's plan to get back in the action with a move to New York When Nixon gave up his Secret Service detail the only President to ever do so he hired Endicott to be his Chief of Staff and the two of them changed the course of history as Endicott sneaked Nixon into Moscow for high level diplomatic talks He also accompanied the former President to his beloved baseball games at Shea Stadium and arranged family dinners and events The book portrays Nixon as a father and grandfather a very private man who eventually enjoyed meeting kids at McDonald's when he longed to eat inside like a normal person or sign baseball programs when he insisted on sitting in the stands at games instead of in the skyboxes of friends Contains over thirty private family photos never before seen

Reinventing Richard Nixon Daniel E. Frick, 2008 Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of

redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick s probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements BOOK JACKET **The President and the Apprentice** Irwin F. Gellman,2015-01-01 More than half a century after Eisenhower left office the history of his presidency is so clouded by myth partisanship and outright fraud that most people have little understanding of how Ike s administration worked or what it accomplished We know or think we know that Eisenhower distrusted his vice president Richard Nixon and kept him at arm s length that he did little to advance civil rights that he sat by as Joseph McCarthy s reckless anticommunist campaign threatened to wreck his administration and that he planned the disastrous 1961 Bay of Pigs invasion of Cuba None of this is true **The President and the Apprentice** reveals a different Eisenhower and a different Nixon Ike trusted and relied on Nixon sending him on many sensitive overseas missions Eisenhower not Truman desegregated the military Eisenhower and Nixon not Lyndon Johnson pushed the Civil Rights Act of 1957 through the Senate Eisenhower was determined to bring down McCarthy and did so Nixon never contrary to recent accounts saw a psychotherapist but while Ike was recovering from his heart attack in 1955 Nixon was overworked overanxious overmedicated and at the limits of his ability to function [The Real Nixon](#) Bela Kornitzer,Richard M. Nixon,2011-05-01

Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board,2015

Decisions and Orders of the National Labor Relations Board National Labor Relations Board,2016-02-15 Each volume of this series contains all the important Decisions and Orders issued by the National Labor Relations Board during a specified time period The entries for each case list the decision order statement of the case findings of fact conclusions of law and remedy [Playing Politics with Natural Disaster](#) Timothy W. Kneeland,2020-04-15 Hurricane Agnes struck the United States in June of 1972 just months before a pivotal election and at the dawn of the deindustrialization period across the Northeast The response by local state and national officials had long term consequences for all Americans President Richard Nixon used the tragedy for political gain by delivering a generous relief package to the key states of New York and Pennsylvania in a bid to win over voters After his landslide reelection in 1972 Nixon cut benefits for disaster victims and then passed legislation to push responsibility for disaster preparation and mitigation on to states and localities The impact led to the rise of emergency management and inspired the development of the Federal Emergency Management Agency FEMA With a particular focus on events in New York and Pennsylvania Timothy W Kneeland narrates how local state and federal authorities responded to the immediate crisis of Hurricane Agnes and managed the long term recovery The impact of Agnes was horrific as the storm left 122 people dead forced tens of thousands into homelessness and caused billions of dollars in damage from Florida to New York In its aftermath local officials and leaders directed disaster relief funds to rebuild their

shattered cities and reshaped future disaster policies Playing Politics with Natural Disaster explains how the political decisions by local state and federal officials shaped state and national disaster policy and continues to influence emergency preparedness and response to this day

White House Ghosts Robert Schlesinger, 2008-04-15 Veteran Washington reporter Robert Schlesinger opens a fresh and revealing window on the modern presidency from FDR to George W Bush examining the crucial and often hidden role of the speechwriter the men and women who help presidents find the words that define their places in history Drawing on scores of interviews with White House scribes and on extensive archival research Schlesinger weaves intimate amusing compelling stories that provide surprising insights into the personalities quirks egos ambitions and humor of these presidents as well as how well or not they understood the bully pulpit *White House Ghosts* traces the evolution of the presidential speechwriter s job from Raymond Moley under FDR through such luminaries as Ted Sorensen and Arthur Schlesinger Jr under JFK Jack Valenti and Richard Goodwin under LBJ William Safire and Pat Buchanan under Nixon Hendrik Hertzberg and James Fallows under Carter and Peggy Noonan under Reagan to the Troika of Michael Gerson John McConnell and Matthew Scully under George W Bush *White House Ghosts* tells the fascinating inside stories behind some of the most iconic presidential phrases the first inaugural of FDR the only thing we have to fear is fear itself and JFK ask not what your country can do for you ask what you can do for your country Richard Nixon s I am not a crook and Ronald Reagan s tear down this wall speeches Bill Clinton s ending the era of big government State of the Union and George W Bush s post 9 11 declaration that whether we bring our enemies to justice or bring justice to our enemies justice will be done and dozens of other noteworthy speeches The book also addresses crucial questions surrounding the complex relationship between speechwriter and speechgiver such as who actually crafted the most memorable phrases who deserves credit for them and who has claimed it Schlesinger tells the story of the modern American presidency through this unique prism how our chief executives developed their very different rhetorical styles and how well they grasped the rewards of reaching out to the country *White House Ghosts* is dramatic funny gripping surprising serious and always entertaining

[Playing with Fire](#) Lawrence O'Donnell, 2018-11-06 The New York Times bestseller A thriller like propulsive tour through 1968 told by a man who is in love with American politics and who knows how all the dots connect Brilliant and totally engrossing Rachel Maddow Delightful brings to life the most fascinating election of modern times Walter Isaacson From the celebrated host of MSNBC s *The Last Word* with Lawrence O'Donnell an enthralling account of the presidential election that created American politics as we know it today Long before Lawrence O'Donnell was the anchor of his own political talk show he was a senior adviser to Senator Patrick Moynihan one of postwar America s wisest political minds The 1968 U S presidential election marked by RFK s assassination massive upheaval in the Democratic Party and the first of Richard Nixon s dirty tricks was O'Donnell s own political coming of age In the decades since the election has remained one of his abiding fascinations as it set the tone for so much of what followed in American politics all the way through to today *Playing with Fire*

represents his master class in American electioneering as well as an extraordinary human drama that captures a system and a country coming apart at the seams **Cases Adjudicated** Florida. Supreme Court,1883 *Pat Nixon* Mary C. Brennan,2011 The first biography of Pat Nixon in 25 years Moves beyond the over simplified appraisals of this oft misunderstood first lady Offers a far more complex interpretation than the standard Plastic Pat caricature and depicts a complicated conflicted but ultimately effective first lady who balanced public responsibilities and private pain *Reports of Cases Argued and Adjudged* Florida. Supreme Court,1883 *Adventure* ,1921 **The Hurst Johnian** Hurstpierpoint coll,1892 **Pacific States Reports** ,1906 **A History of England from the Conclusion of the Great War in 1815** Sir Spencer Walpole,1890
