Communion with God Kelly M. Kopic,2024-09-03 The recent resurgence of interest in the Puritan John Owen has resulted in increasing requests for Kelly Kopic's *Communion with God* which was one of the books that helped foster renewed attention on this classic theologian. This book is now back in print with a new preface by the author. According to Kopic a variety of people today are rediscovering Owen including academic theologians, ministers from different denominational backgrounds and laypeople interested in classic forms of spirituality. With this diverse audience in mind, Kopic focuses on the concept of communion with God in Owen's thought, covering key areas such as anthropology, Christology, trinitarian studies and the Lord's supper. Kopic shows that Owen remains a rich dialogue partner for those engaged both in contemporary theology and pastoral practice.

**Walking with God** Ruth J. Webb,2021-03-02 The information about the book is not available as of this time.

*A Walk with God* John Marceau,2012-11 *A Walk with God* is a series of devotions written as a result of personal testing and growth with the intent to draw one into a deeper relationship with our Master. Each devotion is a guide through the Word of God and is intended to cause a deeper desire to delve into the knowledge of our Savior, Jesus Christ.

Being Right with God John James Miller,2011-01-14 For sincere seekers, teachers and preachers. This book consists of the most complete and understandable explanation of BEING right with God to be found anywhere. After a lifetime of becoming acquainted with Christian literature and 28 years of listening to other preachers, the author observed the lack of presenting BEING right with God, even though it is the most important thing to be achieved in life. Only partial explanations are given in sermons that touch on the subject of being. As a result, people have a fragmented and incomplete understanding of BEING right with God. The Bible contains what it is to BE right with God but not in an organized and systematic way. Many scriptures are brought together in this book in order to present a full and understandable Biblical explanation of what it is to BE right with God and how to GET right with God.

Losing the Bond with God Katarzyna Peoples,2011-04-07 Empirical research provides the basis for a comprehensive depiction of evangelical Christian men who self-identify as sexual addicts. *Losing the Bond with God: Sexual Addiction and Evangelical Men* offers a humane and constructive understanding of this issue, treating it from an objective perspective rather than the Christian perspective that is common to writings on the subject. Based on her own qualitative study of self-identified evangelical sex addicts, the author shows how these men must overcome the compartmentalization of their lives and improve the integration of religion, marriage and sexuality if they are to break their destructive patterns. The book addresses many of the most dominant issues specific to sexuality within the evangelical movement, such as sexual purity, gender roles, attitudes regarding homosexuality and marriage. It begins with a framework for understanding the evangelical movement and its stance on sexual issues and ends with a cumulative summary about evangelical men who self-identify as sexual addicts. Direct quotes and personal experiences from interviews are woven throughout the study, and appendices provide a detailed description of the author's research.
