With Their Islands Around Them Kenneth Brower, 1974 *The Notion of Near Islands* Nenad Starc, 2020-09-30
Viewed from the mainland the history of the archipelago appears as a long list of non invited but irresistible disembarkations
Viewed from on an island the archipelago has had a rich and unique history of sustainable use of scarce resources The main
theme of this book is the exploration of the meanings of near islands of the archipelago General and particular features of 1
246 islands of the Croatian archipelago are starting points of stories about particular islands subarchipelagos and urban
archipelagos The chapters question and analyse the archipelago identity from different perspectives Approached as a group
of islands the analysis investigates features of subarchipelagos urban subarchipelagos mainland dependent islands outlying
islands and island emigrant communities that are trying to restore and conserve their island This book highlights the identity
