Nina's innocence will have bloomed into something else altogether and one by one the wartime hunters will become the peacetime hunted. But not until a striking old woman calls upon an old man selling newspapers in town the old man Tito has become can we know what Nina will ultimately make of her brutal legacy. With the indelible truth of a fable Without Blood reminds us that all wars are the same the same mistake infinitely repeated in the hearts and deeds of wronged men and women and that no life can remain untouched by loss or by hope. **On the Face of the Waters** Flora Annie Webster Steel, 1897 Archives of Internal Medicine, 1923 *Continent*, 1914 **The American Journal of Syphilis**, 1920
