her heart carried the burden of death only to realise later that our relationship with our parents is not confined to the mortal world The bond is so deep that a parent finds channels to communicate with their child through different mediums What changed for Divya in the few months since her father s passing away that made her believe in this idea How did Divya find closure As Divya opens up about her most well guarded emotional moments and confessions in this book the story unfolds to reveal how loss of a loved one and the ensuing pain tests and changes a person This story is as personal in nature as it is universal in its themes of love loss and pain To read My Dad s Daughter is to embark on a journey across a sea of emotions as gentle as a calming breeze and as turbulent as a sea storm and find closure at the end of it McClure's Magazine ,1904
