**Witness in Death** J. D. Robb, Nora Roberts, 2004 Opening night at New York's New Globe Theatre turns from stage scene to crime scene when the leading man is stabbed to death right on centre stage Now Eve Dallas has a high profile celebrity homicide on her hands Not only is she primary detective she's also a witness and when the press discovers that her husband Roarke owns the theatre there's more media interest than either can handle The only way out is to move fast Question everyone and everything And in the meantime try to tell the difference between the truth and really good acting

*The Spirituality of Martyrdom* Servais Pinckaers, 2016-05-06 Since the publication in English of his masterwork *The Sources of Christian Ethics* Servais Pinckaers has become the preferred guide for English speaking students of Catholic moral theology This late Belgian Dominican has made themes such as Beatitude happiness virtue and freedom for excellence standard features of classroom instruction in ethics moral theology and catechesis Father Pinckaers's new directions in moral theology came none too soon to Anglo American moral thought which otherwise would have become submerged completely under the waves of one kind of relativism or another Instead of enabling cheap escapes from moral truth Father Pinckaers directs his students to the Sermon on the Mount There they discover that those who suffer persecution for justice's sake are called blessed or happy This suffering may even lead to death The present volume completes *Sources* It gives us a theological account of Christian martyrdom Authentic martyrs testify to the highest meaning that God inscribes into the moral life In a word nothing should deter the Christian from choosing God No one completes a Christian life without becoming at least a martyr for charity from back cover

*The War Between the Two Beasts and the Two Witnesses* Antoninus King Wai Siew, 2005-11-01 Siew seeks to examine the events that will unfold within the three and a half years before the dawn of the kingdom of God on earth He argues that John composed the textual unit of Rev 11 1 14 5 as a coherent and unified literary unit structured in a macro chiasm He pays special attention to the fusion of form and content

and seeks to elucidate how the concentric and chiasmic pattern informs the meaning of the literary units within 11 1 14 5 and proposes that the text of 11 1 14 5 is best analyzed using Hebraic literary conventions devices and compositional techniques such as chiasm parallelism parataxis and structural parallelism The macro chiasmic pattern provides the literary structural framework for John to portray that the events of the last three and a half years unfold on earth as a result of what transpires in heaven Specifically the war in heaven between Michael and the dragon has earthly ramifications The outcome of the heavenly war where Satan is defeated and thrown out of heaven to earth results in the war on earth between the two beasts of Rev 13 and the two witnesses of Rev 11 The narrative of the war in heaven 12 7 12 is seen as the pivot of the macro chiasmic structure Siew pays close attention to the time period of the three and a half years as a temporal and structural marker which functions to unite the various units in 11 1 14 5 into a coherent and integral whole The events of the last days will be centred in Jerusalem

*Response Ethics* Kelly Oliver,2018-10-18 What does it mean to be a responsible subject in a world of pervasive violence How should we be responsible witnesses in the face of gross injustice Indeed how should we respond to atrocities that often leave us speechless and powerless In this seminal volume Kelly Oliver articulates a response ethics as an alternative to mainstream moral frameworks such as utilitarianism and Kantianism Oliver s response ethics is grounded in an innovative understanding of subjectivity Insofar as one s subjectivity is informed by the social and our sense of self is constituted by our ability to respond to our environment reconceptualizing subjectivity transforms our ethical responsibility to others Oliver s engagement in various debates in applied ethics ranging from our ecological commitments to the death penalty from sexual assaults on campus to reproductive technology shows the relevance of response ethics in contemporary society In the age of pervasive war assaults murder and prejudice *Response Ethics* offers timely contributions to the field of ethics
