## **Witness Of Jesus Christ:**

**Jesus Christ** ,1985     **I Know He Lives** Dennis Horne,2017-09 Learn what it s really like to serve as a special witness of Christ This authoritative volume reveals the real men behind the modern apostolic mantle focusing on fifteen deceased Apostles and sharing some of their personal trials weaknesses and challenges More important you ll learn about the remarkable spiritual experiences that allowed each one to personally testify of the Savior     The Present testimony, and original Christian witness revived ,1853     **A New Witness for God** B.H. Roberts,2018-05-15 Reproduction of the original A New Witness for God by B H Roberts     *The Testimony of Jesus* Witness Lee,2005-12 The local church the church in each locality is the testimony of Jesus today The testimony of Jesus is the practical church not the church in the air or the church to come A church yet to come cannot show Jesus to people and a church in the heavens may show Jesus to the angels but it cannot show Jesus to people on the earth Therefore we need to consider whether we truly bear the image of Jesus If we show someone an unclear picture of a person it will not be a proper testimony of him with his image and appearance We may see something in the picture but it will not be the person we claim to show The church in our locality must bear the image expression appearance and virtues of Christ     Source of the Light Maurine Jensen Proctor, Scot Facer Proctor,1992     **To Bare Witness to the Truth** Scott Dalton Myers,2021-03-16 If God does exist why is there so much evil in the world Why do bad things happen to good people Why do we suffer so many trials and tribulations in our lives These difficult questions that nonbelievers often use to deny God s existence are addressed in this book with the biblical and religious references and answers Proof and evidence of God s existence surround us everywhere we go if we simply open our eyes and our minds to the truth The miracles and incredible balance in nature the wonder of the human body the intricate structure of our eyes and ears cellular complexity molecular genetics DNA the wonders of the Earth and our universe all point to intelligent design It is beyond belief and comprehension that all of these things could have simply evolved from some freak accident of nature The watchmaker s analogy for intelligent design is a good one and is certainly applicable to the creationism versus the evolution and randomness arguments discussed in this book Jesus performed many miracles that were seen by a multitude of people and recorded by eyewitnesses But there are also records of modern day medical miracles that non Christian doctors cannot explain Additionally thousands of people have chosen to share their near death experiences with a research foundation and virtually all of them reported that they came back with a profound understanding of God s love In an interesting 1982 blind prayer study conducted by the San Francisco Medical Center data suggests that the intercessory prayer to the Judeo Christian God had a beneficial therapeutic effect in patients who were admitted to a critical care unit Although there are many biblical and religious documents that recorded events in Jesus s life there are well over ten independent accounts from outside the biblical record that identify over sixty life events and beliefs about Jesus s life Finally we must look to human nature itself for evidence of the existence of God and his son Jesus Christ Many Christians including Jesus and all but one of

his disciples were persecuted horribly tortured and died excruciating deaths because of their belief in God Many people throughout history have been willing to die for what they truly believed in but no one willingly dies for what they know to be a lie Finally how do you approach a nonbeliever and talk with them about faith This is difficult for most people as they feel that they must have some specialized training in order to do so One does not need a special gift to evangelize The mandate to be a witness applies to every follower of Christ This book can help you be a true witness The Gospel Made Simple Cherie Anderson,2019-10-14 Doing amazing things for God doesn't mean being on a platform or having a spotlight on your ministry It's being a witness for Jesus in the trenches of day to day living Without a doubt this is a now assignment for every believer Be encouraged to not merely be a spectator but one who is willingly fulfilling God's call on your life As Cherie takes you on this journey into the powerful experience of being a witness you will Be inspired to open up a spiritual conversation in a non confrontational way Be equipped with practical tools and scripture to preach the full gospel Be prepared to dispel misconceptions that keep many silent If you have been silent don't wait any longer to lift up your voice No matter your age gender or background you have a destiny and you were created to take part in expanding the kingdom of God Refuse to live life with regrets and what if's It is urgent that we take action and speak the truth in love because we carry the answer people are searching for Jesus Christ We must not forget that none of us are promised tomorrow **Organized Sunday-school Work in America, 1905-1908** ,1908 **Men and Missions** ,1913 **The Secret of Experiencing Christ** Witness Lee,2024-02-15 The Christian life is one of experiencing Christ at all times In order to enjoy and experience Christ in full we need to see who Christ is what He has done for us and we especially need to see that we are in an organic union with Christ This is the most crucial aspect of the secret of experiencing Christ In *The Secret of Experiencing Christ* Witness Lee points out that it is in this organic union of the Spirit with our spirit that Christ lives in us and we live in Him Witness Tampering Barry Grant Marsh,2019-03-29 Barry Grant Marsh who was a third generation Jehovah's Witness seeks to help others struggling to leave behind the Watchtower Bible and Tract Society dogma in this memoir that looks at Jesus Christ in a new light He reveals the powerful training methods employed by Jehovah's Witnesses to manipulate and control their followers as well as steps you can take as a Christian that will protect you from falling victim to this cult Moreover he provides tips on reaching out to loved ones who are members and advice on responding to Witnesses who knock on your door Marsh also shares details from his own journey of finding Jesus which took more than thirty years and was dominated by his dedication to an organization that brought him difficulty disillusion and disappointment In the end he realized that the Holy Spirit was there to lead him through it all Join Marsh on a compelling and heartfelt journey toward biblical truth and start your own walk toward Christ with this incredible story *The Witness Protection Program for the Church* Edward Ray Sutton,2007-09 Have you ever wondered why you were saved What it really means to be a witness for the Lord What are the benefits in serving the Lord more than just going to heaven when you die Did you know that there is more designed for you

than just going to heaven and missing hell Did you know that God has a plan for your life and you can know it without wasting a lot of time and years doing your own thing Have you ever thought what it really means to be a Christian If your answer to the above questions are yes then this is the book for you it will help you understand the plan and will of God for your life And it will bring some clarity as to why you are here This book is designed to bring some common sense reality to the gospel of Jesus Christ It is loaded with informative teaching and has a sense of humor that will cause you to want more Edward Ray Sutton accepted Jesus as Lord and Savior in 1971 God instantly delivered him from a life of alcohol addiction at the age of 20 After seeking the Lord as to where he wanted him to go to church he joined the local assembly of the Disciples of Christ in Goldsboro N C Later after a period of time he was appointed a deacon and after being faithful in that office he was later called by God to preach the word of the Lord In 1984 he was instructed by God to leave and join a full gospel church that God was raising up In this church he served as children s and youth pastor for several years during which he established a successful puppet ministry Some of the children as adults are in children ministry in other places in the country He served as associate pastor for several years before leaving to follow the call of God and to go forward with his own ministry He has been married to his wife Diana for 36 years and is the father of four children They reside in Dudley N C

**All Ages for the Lord's Testimony** Witness Lee,1987-01-01 In the Lord s move on earth there are two areas of function fighting the battle and keeping the testimony According to the picture in the Old Testament for fighting the battle the Israelites between the ages of twenty and thirty were useful but for keeping the testimony the older ones those above the age of thirty were necessary This book considers this Old Testament type in relation to the service of the believers of all ages in the New Testament church

**Jesus Christ, the Son of God, the Witness of the Gospels** Steven R McMurray,2019-04-12 The four volumes of this book explore the life of Jesus Christ the Son of God as told through the Gospels Matthew Mark Luke and John It is a witness of Him as the divine Son of God As a witness this book invites all to come unto Him with their burdens and challenges in order to find peace in their lives It invites all who read it to gain or strengthen their own testimonies and to gain additional insights of their own as Christ s words and miracles are pondered and individual inspiration is sought This volume the first in a four part series begins by providing foundational context particularly through discussing Christ s premortal life examining Old Testament prophecies of Him and presenting a brief history of ancient Israel The book then uses the New Testament s Gospel accounts supplemented with other scriptures and recognized authoritative sources to present details and insights regarding His birth His developmental years and the beginning of His ministry Subsequent volumes will explore Jesus s Galilean ministry His ministry in Judea and Perea the final week of His life including His triumphal entry into Jerusalem atoning sacrifice illegal trials and ultimate crucifixion and resurrection The final volume will contain an extended Appendix which explores and discusses Christ s ministry in the Americas
