Wizard Of Oz Read Along:

The Wonderful Wizard of Oz L. Frank Baum,2010-01-01 After a cyclone transports her to the land of Oz Dorothy must seek out the great wizard in order to return to Kansas **The Wizard of Oz** Lyman Frank Baum,1963 *The Wonderful Wizard of Oz* L. Frank Baum,2014-04 I thought I had beaten the Wicked Witch then and I worked harder than ever but I little knew how cruel my enemy could be She thought of a new way to kill my love for the beautiful Munchkin maiden and made my axe slip again so that it cut right through my body splitting me into two halves Once more the tinsmith came to my help and made me a body of tin fastening my tin arms and legs and head to it by means of joints so that I could move around as well as ever But alas I had now no heart so that I lost all my love for the Munchkin girl and did not care whether I married her or not I suppose she is still living with the old woman waiting for me to come after her My body shone so brightly in the sun that I felt very proud of it and it did not matter now if my axe slipped for it could not cut me There was only one danger that my joints would rust but I kept an oil can in my cottage and took care to oil myself whenever I needed it However there came a day when I forgot to do this and being caught in a rainstorm before I thought of the danger my joints had rusted and I was left to stand in the woods until you came to help me It was a terrible thing to undergo but during the year I stood there I had time to think that the greatest loss I had known was the loss of my heart While I was in love I was the happiest man on earth but no one can love who has not a heart and so I am resolved to ask Oz to give me one If he does I will go back to the Munchkin maiden and marry her Both Dorothy and the Scarecrow had been greatly interested in the story of the Tin Woodman and now they knew why he was so anxious to get a new heart *Wizard of Oz* Maggie Blossom,2017-12-13 Read Along or Enhanced eBook You just never know when a twister is going to whisk you off to a magical land of witches munchkins and great adventures with new friends One minute Dorothy and her dog Toto were home in Kansas and the next they were teaming up with the Cowardly Lion Tin Man and Scarecrow to save the magical land of Oz from the Wicked Witch Best of all they realized how brave loving and kind each of their friends are and that no matter how wonderful an adventure may be there just isn't any place as wonderful as home **Listen, Read, & Learn Volume 4** ,2017-04-13 Listen Read and Learn Volume 4 for prekindergarten to kindergarten enchants children with the following stories The Little Mermaid The Velveteen Rabbit The Wizard of Oz Little Red Riding Hood Each story includes a free MP3 audio file download and early learning activity pages Build vocabulary while encouraging a love of reading with Listen Read and Learn Volume 4 Each of the four popular tales engages children with bold illustrations and an MP3 audio file download that they can use on any device Each story features learning activities to help your child understand characters and events learn new vocabulary words practice sounds and more Filled with fairy tales the Listen Read and Learn series combines imagination and education for an unforgettable learning experience By offering free MP3 downloads this series helps children understand print concepts like turning pages from right to left and connecting the sounds of words with the printed page These pages use
