Roblox Survival Framework:

Handbook of the Metaverse Pan Hui, Peng Yuan Zhou, Lik-Hang Lee, Tristan Braud, 2026-01-08 The metaverse is sweeping the globe thanks to its fundamentally innovative concepts of physical virtual blended reality and years of industrial efforts on relevant hardware development. It is yet unclear what the metaverse is, what technologies it relies on, and what concerns the society should care about since it is such a huge ecosystem with nearly unlimited possibilities. The book aims to provide a comprehensive study on the metaverse including its development and ecosystem and detailed descriptions of multiple key technologies with their challenges and state-of-the-art solutions. It finally concludes with several important societal issues the metaverse may raise, including concerns and suggestions. The book targets at providing understandable introductions to varied aspects of the metaverse that may appear new to common audiences and deep insights into a number of key directions for related professionals. The purpose of the book is to help readers better understand the concept and current status of the metaverse while inspiring relevant readers or institutes to spot interesting and challenging topics to follow.

Fashion Marketing Jo Wiltshire, Catrin Cousins, 2026-03-03 This is a key textbook for understanding fashion marketing in a global digital and sustainable era. Fashion Marketing by Jo Wiltshire and Catrin Cousins offers undergraduate and postgraduate students a comprehensive introduction to the principles, practices, and contemporary challenges of marketing within the fashion industry. Taking a holistic view of the fashion landscape, this textbook explores the full spectrum of marketing activity from consumer behaviour and e-commerce to sustainability and product and pricing strategies. Students will learn how marketing strategies are shaped by technology, cultural shifts, and the growing demand for transparency and responsible production. Real-world examples from organizations such as Zara, Primark, Stone Island, Calvin Klein, and Glossier bring theory to life, helping students apply practical knowledge to industry. Designed to support both classroom teaching and independent study, this book includes practical frameworks and models for understanding fashion consumer behaviour and marketing channels. Learning objectives, key concepts, and chapter summaries are provided for clear comprehension. Discussion questions are included to encourage reflection and application. Online lecturer resources include PowerPoint slides. Whether studying fashion marketing, retail management, or fashion business, Fashion Marketing equips students with the knowledge and skills to navigate and understand today's dynamic fashion marketplace.
