Steeltown Usa:

Steeltown U.S.A Sherry Lee Linkon, John Russo, 2002 Once the symbol of a robust steel industry and blue collar economy Youngstown Ohio and its famous Jeannette Blast Furnace have become key icons in the tragic tale of American deindustrialization Sherry Lee Linkon and John Russo examine the inevitable tension between those discordant visions which continue to exert great power over Steeltown's citizens as they struggle to redefine their lives When the Jenny was shut down in 1978 50 000 Youngstown workers lost their jobs cutting the heart out of the local economy Even as the community organized a nationally recognized effort to save the mills the city was rocked by economic devastation runaway crime and mob scandal problems that persist twenty five years later In the midst of these struggles the Jenny remained standing as a proud symbol of the community's glory days still a dominant force in the construction of both individual and collective identities in Youngstown Focusing on stories and images that both reflect and perpetuate how Youngstown understands itself as a community Sherry Lee Linkon and John Russo have forged a historical and cultural study of the relationship between community memory work and conflict

Steeltown U.S.A. Sherry Lee Linkon, John Russo, 2002-06-10 Once the symbol of a robust steel industry and blue collar economy Youngstown Ohio and its famous Jeannette Blast Furnace have become key icons in the tragic tale of American deindustrialization Sherry Lee Linkon and John Russo examine the inevitable tension between those discordant visions which continue to exert great power over Steeltown's citizens as they struggle to redefine their lives When the Jenny was shut down in 1978 50 000 Youngstown workers lost their jobs cutting the heart out of the local economy Even as the community organized a nationally recognized effort to save the mills the city was rocked by economic devastation runaway crime and mob scandal problems that persist twenty five years later In the midst of these struggles the Jenny remained standing as a proud symbol of the community's glory days still a dominant force in the construction of both individual and collective identities in Youngstown Focusing on stories and images that both reflect and perpetuate how Youngstown understands itself as a community Sherry Lee Linkon and John Russo have forged a historical and cultural study of the relationship between community memory work and conflict Drawing on written texts visual images sculptures films songs and interviews with people who have lived and worked in Youngstown the authors show the importance of memory in forming the collective identity of a place Steeltown U S A is a richly developed portrait of a place showing how images of the Jenny and of Youngstown have been used in national media and connecting these representations to the broader public conversation about work and place Bruce Springsteen's song Youngstown the book Journey to Nowhere and other pop culture artifacts have helped make Youngstown the symbolic epicenter of American deindustrialization And while many people see the need to get over the past and on with the future in rushing to erase the difficult parts of Youngstown's history they might also forget the powerful events that made the city so important such as the struggles for economic and social justice that improved the lives of steelworkers This multifaceted study of the meaning of work and place

in one community pointedly depicts the relationships among economic development media representations and community life As we see how people s faith in the value of their work dwindled away in Youngstown their stories can help us understand not only how the meaning of work has changed but also why the changing meaning of work matters American Musicals in Context Thomas A. Musical Theater and American Culture David Walsh,Len Platt,2003-10-30 Though there have been many histories of the theater and specifically the theatrical musical none has done quite what Musical Theater and American Culture achieves it explores how the musical emerged in the late 18th and 19th centuries as a specifically American form of entertainment and went on to become a powerful medium of popular and political collective expression articulating the tensions and reconciliations of everyday relations between individuals and society Intimately related to the forging of social cultural and political American identities the musical often dismissed as merely entertainment is tied inextricably to America s sense of itself as a New World a land of opportunity and above all the emblem of modern culture Including material on genres ranging from minstrel shows to melodrama to the development of the contemporary book musical and the megamusical Musical Theater and American Culture delves into such important shows as Anything Goes West Side Story Evita and Rent it represents the first sustained analysis of this medium as a social and political vehicle Authors David F Walsh and Len Platt further consider how the current condition of the musical the emergence of specialist musicals revivals and blockbuster musicals intended for a globalized audience relate both aesthetically and culturally to their Broadway progenitors Tackling the much broader question of what the fragmentation of this popular culture now indicates about contemporary America they forge a new and unique study sure to appeal to both scholars of the theater and fans of its ongoing and always fascinating new forms The South Atlantic Quarterly John Spencer Bassett,Edwin Mims,William Henry Glasson,William Preston Few,William Kenneth Boyd,William Hane Wannamaker,1968 *Violins & Shovels* Milton Meltzer,1976 Examines art projects run during the 1930 s which were funded by the Work Projects Administration Striking Performances Kirk Fuoss,1997 A look at how two groups of protesters promoted their agendas by mock performances **Cradle Will Rock** Tim Robbins,2000 Robbins gives the inside scoop to making his upcoming movie from Touchstone Pictures The cast includes Joan Cusack John Carpenter and Hank Azaria 80 photos **America: 1900-1939** Ed Sanders,2000 for 41 years **Burns Mantle Best Plays and the Year Book of the Drama in America** Burns Mantle,John Chapman,Garrison P.
