familiar environment where they are reunited with their friends but under life threatening circumstances Tom and Katie must make a difficult rescue and somehow get word to their parents who with the professor are searching Stellar Woods and beginning to fear the worst After a dramatic rescue and an uneasy telephone call home Tom and Katie make plans to return but one more hurdle appears Katie begins to experience a strange and potentially lethal side effect of her unconventional journey Compelled by the urgency of the situation Tom is able to overcome doubts about his own ability to make decisions in the face of ambiguity Under enormous pressure by quick and clear thinking Tom takes decisive action saving his sisterOs life and returning them both safely home For more information about Stellar Woods please visit [www.stellarwoods.com](http://www.stellarwoods.com)
