

The Holocaust

What was life like in the Ghettos?

The Holocaust is the name given to the mass murder of Jewish people during the Second World War. It was a genocide with a goal to wipe out the Jewish people, but that goal was not achieved (as far as we know). It could have been avoided.

Learning to explain the Holocaust

What happened during the Holocaust?

The Holocaust did not happen immediately. It happened in stages - from laws against undesirable in 1933 to the decision for the final solution in 1941. Over 6 million people died. It was not just Jewish people but homosexuals, gypsies, religious people and political opponents, among others.

How did the Holocaust happen? Nazi Laws

It was not the same plan to the end of Jewish people during the Second World War. Students often think the Nazis came to power with the goal to kill the Jewish people. It was not the same plan for all the time. It would have been different.
