Lesson Focus & Teamwork through STEM

Learning Objectives

- to work cooperatively as part of a team
- to work cooperatively to find a solution to a problem
- to predict and test how different materials and building methods increase or decrease an object's buoyancy
- to analyse and add a creation in order to improve it, explaining how and why changes have been made

Activities

Introduction

- Tell the children two groups of 3-4 and give each group an A4 piece of paper with the word 'teamwork' written in the centre
- Give groups five minutes to write down as many words or phrases they can think of associated with the concept of teamwork
- Ask each group for feedback and discuss how good teams can work together despite differences in opinions

Main Activity

- In the same groups, children complete a STEM challenge to design a boat that holds a particular object, e.g. a teddy bear, in a bowl of water
- Give each group some time to plan their boat design and allow them to choose from a variety of materials to create it. Encourage the children to consider the properties of the materials they choose and why they might be useful and how good teams
