The Southern Permian Basin as its name suggests is a historical heartland for hydrocarbon production from the Palaeozoic Rotliegend interval However in this mature basin the Mesozoic presents further possibilities to offer resource security to NW Europe Such opportunities include increasing efficiency in the production of discovered hydrocarbons exploration for further hydrocarbons both conventional and unconventional and efficient exploration for and production of geothermal energy All these potential resources require a grounding in technically sound geoscience via traditional scientific observation and the application of new technologies to unlock their value The main aim of this volume is to bring together the work of academics and industry workers to consider cross border geoscience including contributions on Poland Germany The Netherlands the United Kingdom and adjacent areas The work presented intends to contribute to the development and discovery of further Mesozoic energy resources across the basin **H.O. The Integrity was one of the best known American sailing craft of the 1960s built in a famous boatyard in Dartmouth New England not far from where Slocum built the Spray she was the dream boat of her owner Waldo Howland She cruised the West Indies and crossed the Atlantic to visit Ireland and the English south coast Then she was sold and there began a chain of events which led to adventure chicanery and eventually tragedy Abandoned by a scratch crew in a gale drifting dismasted round the ocean boarded and stripped taken in tow by a Fleetwood trawler and sailed into Turks Island the subject of an endless legal battle for salvage mysteriously sunk at her moorings on the day she was to be auctioned refloated and sold a leaking hulk swinging to her mooring It was here that Frank Mulville came on her and with his small yacht Iskra offered to tow her to Cat Island further up the Bahamas chain The only man able to tell the story of her last voyage Frank was to meet Waldo and also members of the crew who abandoned her

he has pieced together the whole story and given a first hand account of its climax
