Texas Sheepman:

Texas Sheepman Robert Maudslay,1951 Robert Maudslay was a young Englishman who came to the high hills of West Texas in 1880 to seek his fortune The fortune eluded him but he found instead a full and interesting life which as he expressed it seemed to be inexorably tied up with sheep These are his memoirs from front flap of dust jacket **Texas Sheepman; the Reminiscences of Robert Maudslay** Robert 1855-1939 Maudslay,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Texas Sheepman* Robert Maudslay,1951-01-01 *Tejano West Texas* Arnoldo De León,2015-07-24 Featuring a side of Tejano history too often neglected author Arnoldo De León shows that people of Spanish Mexican descent were not passive players in or worse absent from West Texas history but instead were active agents at the center of it The collection of essays in *Tejano West Texas* many never before published will correct decades of historiographical oversight by emphasizing the centrality of the Mexican American experience in the history of the region De León a true dean of Tejano history showcases the continued presence and contribution of Mexican Americans to West Texas This collection begins in the 1770s when settlers of Mexican descent first began migrating to Presidio and then to other sections of the Big Bend De León then turns his attention to the nineteenth century when Mexican immigrants and other Texans searched for work throughout the West Texas hinterland and his coverage continues onward through the twentieth century Mexican American and Texas history scholars will find *Tejano West Texas* to be an invaluable addition to the Tejano narrative Sheepman ,1952 National Wool Grower ,1912 *The American Cowboy* Joe B Frantz,Julian Ernest, Jr. Choate,2016-02 The cowboy America's most popular folk hero appeals to millions of readers of novels histories biographies and folk tales Cowboys command a vast audience on country radio television and at the movies but what exactly is a cowboy Authors Joe B Frantz and Julian Ernest Choate Jr reveal the real dyed in the wool cowboy as a heroic being from the American past who richly deserves to be understood in terms of reality instead of myth Here then is the definitive portrait of the American cowboy in frontier history and in literature reexamined revitalized and set in the proper perspective Many exciting accounts of cowboy life have been presented by such talented writers as J Evetts Haley J Frank Dobie Wayne Gard Walter Prescott Webb Edward Everett Dale Helena Huntington Smith Ramon F Adams and C L Sonnichsen But Frantz and Choate see the cowboy in relation to the entire panorama of western

Scott,1970 **Money for Nothing** Sir Pelham Grenville Wodehouse,1952-01-01 The picturesque village of Rudge in the Vale dozed in the summer sunshine Along its narrow High Street the only signs of life visible were a cat stropping its backbone against the Jubilee Watering Trough some flies doing deep breathing exercises on the hot window sills and a little group of serious thinkers who propped up against the

wall of the Carmody Arms were waiting for that establishment to open At no time is there ever much doing in Rudge s main thoroughfare but the hour at which a stranger entering it is least likely to suffer the illusion that he has strayed into Broadway Piccadilly or the Rue de Rivoli is at two o clock on a warm afternoon in July You will find Rudge in the Vale if you search carefully in that pleasant section of rural England where the gray stone of Gloucestershire gives place to Worcestershire s old red brick Quiet in fact almost unconscious it nestles beside the tiny river Skirme and lets the world go by somnolently content with its Norman church its eleven public houses its Pop to quote the Automobile Guide of 3 541 and its only effort in the direction of modern progress the emporium of Chas Bywater Chemist Chas Bywater is a live wire He takes no afternoon siesta but works while others sleep Rudge as a whole is inclined after luncheon to go into the back room put a handkerchief over its face and take things easy for a bit But not Chas Bywater At the moment at which this story begins he was all bustle and activity and had just finished selling to Colonel Meredith Wyvern a bottle of Brophy s Paramount Elixir said to be good for gnat bites Having concluded his purchase Colonel Wyvern would have preferred to leave but Mr Bywater was a man who liked to sweeten trade with pleasant conversation Moreover this was the first time the Colonel had been inside his shop since that sensational affair up at the Hall two weeks ago and Chas Bywater who held the unofficial position of chief gossip monger to the village was aching to get to the bottom of that With the bare outline of the story he was of course familiar Rudge Hall seat of the Carmody family for so many generations contained in its fine old park a number of trees which had been planted somewhere about the reign of Queen Elizabeth This meant that every now and then one of them would be found to have become a wobbly menace to the passer by so that experts had to be sent for to reduce it with a charge of dynamite to a harmless stump Well two weeks ago it seems they had blown up one of the Hall s Elizabethan oaks and as near as a toucher Rudge learned had blown up Colonel Wyvern and Mr Carmody with it The two friends had come walking by just as the expert set fire to the tree and had had a very narrow escape Thus far the story was common property in the village and had been discussed nightly in the eleven tap rooms of its eleven public houses But Chas Bywater with his trained nose for news and that sixth sense which had so often enabled him to ferret out the story behind the story when things happen in the upper world of the nobility and gentry could not help feeling that there was more in it than this He decided to give his customer the opportunity of confiding in him
