**The Time Traders** Andre Norton,2024-03-26 Ross Murdock had a choice prison or volunteering for Operation Retrograde He didn't like those choices not at all Unwilling he volunteered to go back in time and become a foot soldier in a Time War It was a choice that would change his life and shape his future It was a war that had to be fought and it had to be won

**The Time Traders** Andre Norton,2016-06-12 The Time Traders is the first novel in The Time Traders series by Andre Norton It was first published in 1958 and has been printed in several editions It was updated by Norton in 2000 to account for real world changes It is part of Norton's Forerunner universe The Time Traders introduces the series premise a confrontation between Western heroes and the Reds and a mysterious alien race that has used time travel to alter Earth This novel alternates among the present day a trading tribal society in Britain 2000 B C and a glacial outpost in the last ice age In her Time Trader novels Norton tacitly assumes that the physics of time travel differs so significantly from the physics of space travel especially hyperdrive propelled interstellar flight that a civilization that discovers the technology of one simply will not discover the technology of the other Earth's physicists have discovered the secret of time travel but the engineers and scientists who built and use the time transporters have devised a clever way to obtain the secrets of space travel if we can't discover the secrets for ourselves we will get them from someone who did

**The Time Traders** Andre Alice Norton,2017-10-27 Andre Norton weaves another spellbinding science fiction tale that takes place in multiple layers of time and during different periods of history If it is possible to conquer space then perhaps one can also conquer time To test this theory Ross Murdock finds himself transplanted to the North Pole to participate in a top secret project It is suspected that Russian scientists have discovered how to transport themselves back to prehistoric times in order to learn long forgotten secrets A convicted criminal in his own time period Ross becomes a volunteer in the government program that hopes to beat the Russians to the discovery of these scientific secrets Can time travel be artificially created Can people from different time periods be brought forward from the past through the use of technology Perhaps the real question is can they return

**The Time Traders** Andre Norton,2020-06-26T17:52:20Z The Time Traders is the first book in Andre Norton's Time Traders series First published in 1958 by World Publishing Co The Time Traders is told from the perspective of Ross Murdock a young criminal faced with a choice be turned over to the new Rehabilitation Service or volunteer for a secret government project Murdock chooses the secret government project hoping for a chance to escape At the Arctic base he learns what the project is and instead of escaping he joins a team posing as Beaker Traders during Europe's Bronze Age His team makes several jumps through time
