Charles Haddon Spurgeon, 2017-10-28 Excerpt from The Treasury of David Vol 3 The late increase of wages to printers and the rise both in paper and binding may compel an advance in the very low price charged for these volumes hitherto but this shall not be made unless it becomes absolutely necessary to screen me from loss As a larger sale will secure a return of my outlay the matter is mainly in the hands of the public Volume I Being now in the third edition and the second edition of Volume II Being upon the press I am led to hope that the present volume will also meet with a large and rapid sale and if so the old price may suffice to cover the outlay My venerable friend Mr George Rogers has furnished me With many hints for the notes to preachers and it is hoped that this portion of the work has been so improved that it will not be the least useful part of it Testimonies received lead to the belief that in the two former volumes numerous students have found help in that

The Treasury of David, Vol. 2 of 6 H. Spurgeon, 2015-07-02 Excerpt from The Treasury of David Vol 2 of 6 Containing an Original Exposition of the Book of Psalms A Collection of Illustrative Extracts From the Whole Range of Literature A Series of Homiletical Hints Upon Almost Every Verse And Lists of Writings Upon Each Psalm Greatly encouraged by the generous reception awarded to my first volume I have laboured on with diligence and am now able to present the reader with the second instalment of my work Whether life and health shall be given me to complete my task which will probably extend to six volumes remains with the gracious Preserver of men but with his aid and allowance my face is set towards that design and I pray that my purpose may be achieved if it be for the divine glory and for good of his church In this volume which contains thirty one sacred odes we have several of the more memorable and precious of Zion's songs In commenting upon some of them I have been overwhelmed with awe and said with Jacob How dreadful is this place it is none other than the house of God Especially was this case with the fifty first I postponed expounding it week after week feeling more and more my inability for the word Often I sat down to it and rose up again without having penned a line It is a bush burning with fire yet not consumed and not of it a voice seemed to cry to me Draw not high hither put off thy shoes from off thy feet The Psalm is very human its cries and sobs are of one born of woman but it is freighted with an inspiration all divine as if the Great father were putting words into his child's mouth Such a Psalm may be wept over absorbed into the soul and exhaled again in devotion but commented on ah Where is he who having attempted it can do other than blush at his defeat I have followed the same plan as in the former volume not only because I am committed to it by the law of uniformity but also because it is on the whole advantageous Some have suggested alterations but many more have commended the very features which would have been improved away and therefore I have continued in the selfsame method Greater use has in this volume been made of the Latin writer Extracts have been made not only from those which are condensed in Pool's Synopsis but from many others These works are a mine of exposition far too little known If the index shall serve to introduce fresh expositions to my ministerial readers I shall not have laboured in vain The acknowledgments of obligation made in Volume I might very justly be repeated as concerning Volume II the reader will consider them as again recorded About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an

The Treasury of David Charles Haddon Spurgeon,1892 Treasury of David ... Vol. 2. Repr Charles Haddon Spurgeon,1977 **Communion with Christ and His People** Peter J. Morden,2014-01-31 Charles Haddon Spurgeon 1834 1892 was the most famous Baptist minister of his generation For such a significant figure he has received surprisingly little scholarly coverage This present work seeks to make a contribution to Spurgeon studies by examining him through the lens of his spirituality A wealth of primary material much of it previously untapped is used to build up a picture of his spiritual life Whereas older and more recent interpretations of Spurgeon have a tendency to be one dimensional examination of his spirituality reveals him to be a complex figure one who was molded by a diverse range of factors Despite this complexity a unifying theme for Spurgeon s spirituality is traced and fresh light is shed on the foremost popular preacher of the Victorian age
