Under The Green Tree:

The Englishman's Hebrew and Chaldee Concordance of the Old Testament George Vicesimus Wigram, 1843

Find It Fast in the Bible Thomas Nelson, 2000-05-06 Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture's teaching on key Bible topics. But computer-based searches and single word concordances quickly overwhelm learners with raw unconnected data. This phrase concordance compiles over 5,000 Bible expressions giving their exact Scriptural quotations complete with surrounding sentences. Additionally, their alphabetical listing offers the chance to explore similar and related topics without starting a new search. Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme such as Day of the Lord, Kingdom of Heaven, and I tell you the truth. This handy reference resource contains over 5,000 best-loved and most used Bible phrases in the New King James Version as the primary translation. Cross-references to other major translations: NIV, NRSV, KJV, and NASB. An alphabetical arrangement by the first word in the phrase. More than 30,000 references. An extensive Key Word Index. These features make Find It Fast in the Bible a trusted time-saving companion resource and stand-alone aid for personal and group discovery.
