## **Understanding Close Relationships:**

Understanding Close Relationships Susan Hendrick, 2004 Understanding Close Relationships builds a foundation using theory and the most recent research in the field but constructs the text around stories that serve as case examples The stories illustrate the research and theory making them come alive for the reader **The Oxford Handbook of Close Relationships** Jeffrey A. Simpson, Lorne Campbell, 2013-05-02 This book provides an in depth and comprehensive summary of the psychology of close relationships and showcases classic and contemporary theories models and empirical research that have been conducted in the field **The Perpetrator-Victim Relationship: An Important Clue to Understanding Intimate Partner Homicide in China** Shuhong Zhao, 2022-01-15 This book is devoted to illustrating the significance of perpetrator victim relationship including its status and state in understanding intimate partner homicide IPH in the context of China today after comparing with the findings in the previous studies By analyzing the correlation between intimate relationships as a focal variable and other variables such as IPH characteristics and risk factors a deeper understanding of IPH in China today has emerged Finally this book shows that many perpetrators and victims had intimate relationships with people outside their marriages as the main reason for the rapid increase in the number of instances of IPH which seems to be in tandem with China's rapid modernization and urbanization Presenting the sole academic research that closely investigates the characteristics of intimate partner homicide in modern China the book is a valuable resource for not only for the Chinese government but also for Chinese and international researchers **Satisfaction in Close Relationships** Robert J. Sternberg, Mahzad Hojjat, 1997-06-27 With the premise that close relationships are subjected to extraordinary scrutiny in contemporary society the authors go on to say that this generation values individual fulfillment more than any before us We are able to leave existing relationships with relative ease demand a high level of satisfaction from our intimate relationships and are frustrated at those times when we fail to achieve it This volume presents a range Of Theoretical And Clinical Approaches To Understanding And Promoting relationship satisfaction Integrating findings from social clinical and counselling psychology researchers illuminate what it means to be satisfied within a love relationship and identify the factors that allow couples to create successful relationships over time **Encyclopedia of Human Relationships** Harry T. Reis, Susan Sprecher, 2009-03-15 Library Journal Best Reference 2009 An excellent gateway to further examination of any of the subdisciplines of relationship science or as a research tool in its own right Library Journal Relationships are fundamental to nearly all domains of human activity from birth to death When people participate in healthy satisfying relationships they live work and learn more effectively When relationships are distressed or dysfunctional people are less happy less healthy and less productive Few aspects of human experience have as broad or as deep effects on our lives The Encyclopedia of Human Relationships offers an interdisciplinary view of all types of human associations friends lovers spouses roommates coworkers teammates parents and children cousins siblings acquaintances neighbors business associates and so forth

Although each of these connections is unique in some respect they share a common core of principles and processes These three volumes provide a state of the art review of the extensive theories concepts and empirical findings about human relationships Key Features Compiles leading edge information about how people think feel and act toward each other Presents the best in the field authors who have contributed significant scientific knowledge about personal relationships over the past several decades Offers a diverse approach to relationship science with contributions from psychology sociology communication family studies anthropology physiology neuroscience history economics and legal studies Key Themes Cognitive Processes in Relationships Communication Processes Creating and Maintaining Closeness Dating Courtship and Marriage The Dark Side of Relationships Emotion Processes in Relationships Family Friendship and Caregiving in Adulthood Health and the Biology of Relationships Methods for Studying Relationships Personality and Individual Differences Prevention and Repair of Relationship Problems Psychological Processes Sexuality Social Context of Relationships Social Relations in Childhood and Adolescence Theoretical Approaches to Studying Relationships Types of Relationships Our relationships influence virtually all aspects of our everyday existence and are of deep interest to students researchers academics and laypeople alike This Encyclopedia is an invaluable addition to any academic or public library
