[Applicability of Mobile Marketing in the Marketing Mix of Trade Fair Organizers](#) Immo Prenzel, 2010-04-21 Inhaltsangabe Introduction Trade fair organizers face a number of ongoing changes and an intensified intra and inter industry competition that reshape the structure of their markets and value chains Until the 80s trade fair organizers had a huge market and little competition They were solely administering their spaces On this seller s market trade fair organizers could pick the companies they would allow to exhibit at their fairs Since then more and more trade fair organizations have entered the market and invested heavily in new venues and hall capacities The traditional venue owners increased their hall capacities tremendously and new regional venues emerged in the Near East and Asian markets The driver of the inter industrial competition is the increasing number of communication information and sales opportunities such as road shows in house exhibitions or virtual information channels like the internet that constitute alternatives compared to

the cost intensive trade fair participation These developments have made the market a buyer s market Consequently the customer group s requirements towards trade fair efficiency are getting increasingly higher Trade fair organizers need to face these developments and rethink and reshape their marketing strategies and respective marketing mix to match them to the new environment in order to stay competitive They need to implement instruments with which they can improve the communication and service offer and thus satisfy the customer s requirements Mobile marketing is such an instrument It is the new trend in the modern direct marketing that offers numerous possibilities for personalized customer communication and the provision of an increased service portfolio via mobile devices Mobile marketing is the answer to the increasingly mobile society as it allows a location and time independent reach of the customer The question if and to which extend mobile marketing can be applied in the marketing mix of trade fair organizers is the research objective of this thesis The approach to reach this goal is illustrated in figure 3 in the appendix and will be set as follows chapter two will focus on the theoretical basics of mobile marketing in order to illustrate its potentials capabilities and limitations In chapter three the basics about trade fairs its functions and participants are introduced The analysis of the goals and needs of the exhibitors and visitors is the focus of

The Top Books of the Year Wireless Marketing The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Wireless Marketing : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Wireless Marketing : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Wireless Marketing : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
