Weaving Winter Yasmine Galenorn,2024-06-30 Sometimes it's safer to trust the Wolf rather than the Prince After her mother's death Asajia discovers that the sheriff is planning to confiscate her inheritance and force her into indentured servitude another way of forcing her into his bed Rather than accept her fate she escapes into the darkly enchanted Bramble Fel Forest a forest cursed with the perpetual breath of Winter nightmarish creatures and dark dangerous secrets Asajia would rather take her chances with the real monsters than submit to the vile man Unfortunately the sheriff doesn't like to lose and he sends a raiding party to find her with orders to bring her back at any cost Once in the shadow of the forest Asajia

But is it too late to discover whether he took his own life or murdered. Compounding my worries Faron is on the mend but he doesn't remember our relationship. Starlight Hollow Yasmine Galenorn, 2023-11-23. Welcome to Starlight Hollow, a small town on Hood Canal, Washington, where dreams become nightmares and nightmares become reality. My name is Elphyra MacPherson and I was born into a lineage of witches from thousands of years back. The women of my family have always lived between the worlds, our blood as full of magic as our souls are. Born from Scottish descent, we guard over towns and villages. We're found in cities and the country, and each of us is charged with keeping the monsters and the storms at bay using any means needed. After tragedy invades my life, I move to Starlight Hollow, a little town near Gig Harbor where I find new friends and Fancypants, a dragonette. Together with him and my circle of friends, I muddle through life, love, and danger as best as I can. But when I'm approached by Darla, a woman who's dealing with a demonic presence haunting her house, my life begins to change. Not only am I facing danger from the spirit world, but I also face another challenge when Faron Collinsworth, the King of the Olympic Wolf Pack, approaches me. We've already had two bad encounters, but now he wants my help. Members of the community are being murdered, and the sheriff thinks one of the Wolf King's Pack is to blame. Even as I try to eradicate the demons at the hell house, Faron asks me to exonerate his lieutenant. But that may not be possible, and as the killer digs deep, I must focus on what I'm able to do, as opposed to what I wish I could do. But will Faron and I find out the truth before we end up killing each other?

Heat Level: Expected to be spicy. Explicit. Keywords: romance, love triangle, paranormal, witches, shifters, vampires, dragons, ghosts, dark fantasy, small town, hidden secrets, why.
