Saint Dominic and the Rosary Catherine Beebe, 1996 St Dominic led a life of excitement and adventure As a boy he sold his books to feed the poor and offered himself as ransom for a prisoner His greatest adventures came when he walked from town to town and stood fearlessly in the market to preach *Saint Dominic* Guy Bedouelle, 1987-03 Written by one of the foremost contemporary authorities on Saint Dominic this book represents the latest best most concise and readable spiritual biography of Saint Dominic The focus of the biography is the way in which Saint Dominic embodied the role of Christ as preacher and the results that came from this grace From his earliest youth Sacred Scripture was the very heart and foundation of Dominic s spiritual life He never ceased to plunge into the Word of God to study it to pray it Bedouelle thus documents how Saint Dominic s whole life and mission was one continuous proclamation of the power of the Gospel to transform individual lives and society Written in both a popular and scholarly style the combination of historical comprehensiveness and keen theological insight in this work brings Dominic alive as the contemplative and tireless preacher fed from a deeply interior stream of life Gabriel O Donnell O P from the Preface

Drane,1857 **As the Morning Star: The Life of St. Dominic** Jerome Wilms,2020-09-08 That after seven hundred years his life is still the subject of historians endeavors is a clear proof of the deep significance of St Dominic s personality for his Order for the clergy and the entire Church He lived in the late Middle Ages when the Chair of Peter was occupied by popes like Innocent III whose prudence and firmness were active factors in shaping Europe s history The spirit of faith still had at least a little influence in political matters and enthusiasm for the reclaiming of the Holy Land swayed men s hearts However there were also ominous signs that a religious retrogression had begun Heretics were stirring up trouble in different localities Monastic discipline had become relaxed Spiritual ministrations were being neglected because the clergy were either entangled in worldly matters or had succumbed to the easy life made available to them by their rich revenues The ancient landed property of the Church excited the greed of the pious donors less devout offspring Revolutionary ideas hostile to the faith were being propagated and put into practice and well disposed individuals were too ignorant of religious principles to steer themselves out of this dangerous current By means of General Councils and Diocesan Synods the Church had issued strict moral decrees for priests and religious concerning their pastoral duties and especially the preaching of the Gospel but the end was not attained by merely issuing these decrees Dominic was a man of action He realized the need of the age and chose as his particular lifework the preaching of the Gospel He established an Order dedicated entirely to the salvation of souls by means of teaching and preaching the Word of God With this foundation Dominic introduced an entirely new element into the history of religious orders He retained the community life and solemn choral prayer of the Augustinian canons and adopted many austerities from the old monastic orders but added to all this the stipulation that the particular task of his followers would be the salvation of their fellow men For that purpose he obliged his disciples to devote themselves rain or shine to study and preaching Dominic became the patriarch of apostolic orders To all with whom he came in contact to his brethren and to outsiders he was in truth an openhanded and largehearted Father wonderfully indulgent but at the same time not yielding an inch in those things which mature deliberation had convinced him were necessary and ready to attempt squaring a circle in order to carry out a worthy undertaking Such a man has much to tell our own generation perhaps everything needed for a genuine renewal *The Life of St. Dominic, and a Sketch of the Dominican Order* J. S. Alemany,2021-10-29 Reprint of the original first published in 1867 **Saint Dominic's Way of Life** Patrick Mary Briscoe, OP,,Jacob Bertrand Janczyk, OP,2021-06-01 Few Catholics today know much about Saint Dominic who died eight hundred years ago in 1221 Unlike Francis of Assisi Teresa of vila or Ignatius of Loyola Dominic did not leave a deposit of writings to be examined and built upon Yet this medieval Spaniard still has much to teach us today and we see this in the way of life he left to the Church Dominic offers a rich approach to Christian living not just for members of the Order of Preachers the religious order he founded but for all Catholics His dedication to prayer penance and the Word of God and his love of neighbor form the deep foundation of his project of being conformed to God By following in Dominic s footsteps we too can
