

The First Coming

Dr. Allen Hand

The First Coming:

The First Coming Thomas Sheehan,1986 **The Future Is in the Stars** Cleveland Carter,2012-07-10 The origin and study of astronomy is as old as mankind The names of constellations and stars and their meaning are older than mankind God gave Adam the responsibility of naming the animals but God named the stars and constellations and gave them each a meaning God instructed the first humans in these meanings These meanings have been preserved and transmitted from antiquity to the present for us to know and understand Though much has been lost throughout time much has been rediscovered Discover the real meaning of the stars and constellations Discover the past present and future Discover the story of the Gospel in the stars [A Coming Christ in Advent](#) Raymond Edward Brown,1988 Father Brown reflects here not only on those annunciations of Jesus forthcoming birth in the Gospels of Matthew and Luke but also on the beautiful canticles the Magnificat and the Benedictus and on the origins of Jesus as given in the first words of the New Testament **Jesus Christ First Coming** Abner Smith,2013-01-01 *The Liturgical Year* Adrien Nocent,2013-09-15 When Adrien Nocent's *The Liturgical Year* was published in the 1970s it was the very first comprehensive commentary on the three year lectionary in relation to the Sacramentary Missal as these were revised following the Second Vatican Council Expressed on nearly every page was Nocent's conviction that the liturgy and the Word of God proclaimed within it have something important to say to real people of every culture and time He constantly returns to the question What does this passage have to say to us today Now this extraordinary work of applied postconciliar liturgical scholarship has been emended and annotated by one of today's leading liturgical scholars Paul Turner has provided many helpful explanatory notes on history culture language and of course liturgy He has also updated the liturgical texts to conform to *The Roman Missal Third Edition* The result is a resource that promises to enrich and inspire a new generation of presiders preachers liturgy planners and students On the fiftieth anniversary of Vatican II's *Sacrosanctum Concilium* encounter the vibrant scholarship and pastoral wisdom of Adrien Nocent's *The Liturgical Year* again or for the first time Volume 1 covers the liturgical seasons of Advent Christmas and Epiphany

The Little Book of Revelation Eli Of Kittim,2013-02 This book is a fascinating study in search of the real Jesus The author concludes that scripture is essentially a collection of prophecies not a record of past events Jesus did not say Blessed is he who heeds the words of the history of this book but rather Blessed is he who heeds the words of the prophecy of this book Thus the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions The book's argument is that Christ's visitation has not yet occurred in the world of time since it is a future event and that his origin will be derived from the Greeks not the Jews when he does appear **Dr. Hand's Mind On** Dr. Allen Hand,2022-04-15 Every once in a while I get a chance to listen to broadcasts on radio or watch networking on television And the more and more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such via comments discussions lectures preachings teachings etc Every so often it is spiritually

impressed upon me I get led to deal with some of the monumental misunderstandings that menaces the messianic ministry mission momentum motion motive and movement There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive and one is offensive The offensive tactic strategy way to guard against it is to constantly teach and preach against it thereby exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word of God the defensive tactic strategy way to guard against it is to block or prevent it from entering your mind by literally putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation The material presented in this book is just a way to help us fight defensively and offensively by first knowing what we need to fight against As a side note the state of apostasy of the professing church is the final stage of the religious order just prior to the Rapture which is phase one of two of our Christ s Second Coming I strongly admonish and request that each believer in Jesus Christ adopt the same attitude and mentality that the church of Berea adopted in the word of God especially when it comes to the word of God
