**The Golf Course and Grounds of Yeamans Hall** Charlton deSaussure Jr., 2018-07 *The Golf Course Grounds* tells the story of Yeamans Hall from Frederick Law Olmsted s original vision for the property in 1915 and

Seth Raynor's correspondence and design of the Golf Course in 1925 to the continuing influence of each today. In doing so it offers a unique view of forces which influenced golf course design and architecture throughout the twentieth century. Woven throughout its pages are stories of the people and events that have shaped the culture of the Club. The cumulative effect is a view to an earlier time and to lessons that continue to manifest themselves in the special environment to be experienced at Yeamans Hall today.

*Golf Course Design* Robert Muir Graves, Geoffrey S. Cornish, 1998-07-23. When it comes to golf course design Robert Muir Graves and Geoffrey S. Cornish are true masters. Over the past few decades they have produced every type of course imaginable long and short entry level and upscale courses built on ocean bluffs and swamps courses located in the United States and around the world. Now drawing on this vast experience and their popular golf course design seminars held at the Harvard Graduate School of Design and nationwide for the Golf Course Superintendents Association of America Graves and Cornish share a wealth of expertise on all aspects of design and construction in this outstanding book *Golf Course Design*. It covers all of the major historic aesthetic business and technical issues of the subject from course layout hole design drainage irrigation and turf grass selection to planning financing construction and environmental considerations.

*The Great Golf Courses of America* John William Gordon, 1997. From Augusta to Pebble Beach to Oakhill and much more 39 of the finest golf courses from across the United States are examined in gorgeous detail through specially shot photos in depth histories and graphically exact digital course maps. Filled with legendary golf personalities and anecdotes this is a book any golfer will treasure. More than 200 color photos color diagrams maps.

*Golf Course Development and Real Estate* Desmond Muirhead, Guy L. Rando, 1994. This text explains how the golf business works. It examines the factors to be considered from economic viability to course design marketing and asset management of courses. It also covers how to design courses that enhance the value of the surrounding residential area and how to get financing.

**Sustainable Golf Courses** Ronald G. Dodson, 2005-02. *Sustainable Golf Courses* is the most authoritative guidebook on environmental management of planned and existing golf courses. Featuring a practical integration of scientifically based siting design and management practices founded on accepted principles of sustainability this convenient resource helps readers meet the economic ecological and social expectations facing the game of golf and the entire golf course industry.
