Twofold Chastisement:

Reincarnation, Oblivion or Heaven? Bobby Bose, 2016-07-31 What is death Why do we die and what happens after we die Over the centuries philosophers and theologians of the world's religions have offered answers to the dilemma of death yet this subject is rarely given the detailed attention it deserves in the contemporary Christian church As Christians how does our view of death impact the communication of the gospel in today's pluralistic societies In this study Dr Bobby Bose not only develops a solid biblical theology of death he also reviews the teachings of contemporary and historical Christian theologians around the world and examines the state after death beliefs of Hindus Muslims and Secular Humanists The author shows that state after death was a central component of conversation in the early church and is also a major component of God's mission to rescue humanity As the East converges with the West it is vital that Christians develop a missiological approach to state after death that will encourage positive engagement with people of other faiths and beliefs **North/South** Ricardo J.
