Technicolour Pulp:

Technicolor Pulp Arty Nelson, 1994-10-31 **Roary Revisited** Jean Smith, 2006-07 This is an account of a rural childhood in North Devon at the end of the Second World War It is recounted with humour irony and a little pathos Though the family was poor by today's standards they were rich in humour and the pleasures of a truly rural simplistic way of life An overcrowded thatched cottage that nearly caught fire one Guy Fawkes night didn't deter the Plymouth relatives from periodically descending upon them You will get to know each family member they were all so different This is a delightfully perceptive view of the period the countryside and the country characters who lived in and around the vicinity of Roary and Molland village You will not be alone in wanting to go and get a feel of the place even though there is nothing to be seen of the house now although the well is visible still This is a book you will want to read and re read from time to time everybody can relate to it in some form or other *Pulp's This Is Hardcore* Jane Savidge, 2024-03-07 Essential reading plain and simple

Cult Following Savidge knows the album backwards UNCUT This Is Hardcore is Pulp's cry for help A giant sprawling flawed masterpiece of a record the 1998 album manages to tackle some of the most inappropriate grown up issues of the day fame ageing mortality drugs and pornography and still come out crying and laughing on the other side The subject of pornography dominates the record from its controversial artwork to the images conjured up by songs like Seductive Barry and the title track after Pulp's main man Jarvis Cocker who'd spent most of his teenage and adult life chasing celebrity only to be cruelly disappointed when it finally arrived in spades hit upon the grand notion of using pornography as a metaphor for fame The album's commercial failure as a follow up to the band's Britpop defining Different Class also symbolizes a death knell for Britpop itself Dark right Except just like Pulp themselves Jane Savidge's book is playful and sometimes very funny indeed Kicking off with an imaginary conversation between Jarvis Cocker and the people who run the Total Fame Solutions helpline Savidge expertly guides us through the trials and tribulations of an album that begins with the so called Michael Jackson Incident when Cocker got up on stage at the 1996 Brit Awards and waggled his fully clothed bum at the King of Pop Pulp's This Is Hardcore may be a sleazy run through porn and mental demise and an album that chronicles Cocker's continuing disillusionment with his newfound lot in life but Savidge's book assesses the cultural and historical context of the album with insider knowledge and a sharp modern lens ultimately making a case for it as one of the most important albums of the 1990s

Pulp & Paper Magazine of Canada, 1950 **Pulp and Paper Magazine of Canada**, 1950 **Technicolour lovers book 1** Bijoy Raveendran, In 1992 Arakkan a sleepy cinema obsessed hamlet bordering Kerala and Tamil Nadu became the unsuspecting stage for a dark experiment a seedy independent film A virulent reel of celluloid that would snuff the entire village of 350 people and 160 families out of existence Technicolour Lovers is the harrowing tale tracing the origins of this cursed film A story of morality that blurs the lines between light and dark and illusion and reality It will grab you by the throat questioning your judgment of good and evil *Scientific Canadian Mechanics' Magazine and Patent Office Record*
