Soul Recovery And Extraction:

Soul Recovery and Extraction Eileen Nauman, Ai Gvhdi Waya, 2014-10-01 Spiritually one can lose a soul piece by giving power away to someone or something else Soul recovery is about regaining the fragments of one's soul energy that have been trapped, lost or stolen either by another person or lost through a traumatic incident The heart of this shamanistic healing method is taking back control of your life Shamanism in the simplest definition is the ability of an individual to move into an altered state and travel the inner dimensions of what we call nonphysical reality This technique is as old as human existence It is practiced around the world and in the past decade it has been reintroduced to Western civilization although among indigenous cultures shamanism continues to be practiced as a healing tool without interruption Extraction is another tool within the shamanistic tradition that dissolves blocks from our bodies or the aura of electromagnetic energy that surrounds us These blocks can affect us physically as well as mentally, emotionally or spiritually and with a shaman's expertise they can be removed

Soul Recovery and Extraction Ai Gvhdi Waya, 2006

The Soul Remembers Carlos Warter, 1992-06-01 A Parable on Spiritual Transformation What is the purpose of human life Who am I What is the reality of this world I find myself in Why do I find myself in the midst of certain troublesome circumstances Who among us has not pondered some of these questions at times On the outermost level this book is a teaching metaphor similar to those used in all sacred traditions But behind the parable is cosmic perspective on essence, individuality and relationships There is a view of human purpose, soul design and divine direction that leads to a new look at the origin of suffering, healing and the evolutionary dimensional shift Through the voices of archetypes of consciousness the book subliminally explores paths to power, love, beauty, strength and mysticism It moves through different dimensions of reality while simultaneously focusing on the mental, emotional and physical aspects of life as instruments of expression that can be tuned to a higher purpose The Soul Remembers is the expression of a spiritual journey that has assisted thousands in their own processes of self-remembrance encouraging them to live more deeply and become personally responsible for cocreating heaven on earth

Living the Golden Path Ruth Ryden, 1994 Spiritual mastery encompasses many different means to assimilate and be assimilated by the wisdom feelings flow warmth function and application of all beings in your world that you will actually contact in some way A lot of spiritual mastery has been covered in different bits and pieces throughout all the books we've done My approach to spiritual mastery though will be as grounded as possible in things that people on Earth can use but it won't include the broad spectrum of spiritual mastery like levitation and invisibility I'll only teach what I think you can actually use Very few people need levitation You might find it amusing but the problem is eventually you fall asleep float up into space and suffocate What good is that I'm trying to teach you things that you can actually use and benefit from When I talk about my life those are the lessons in spiritual mastery aspects of my life and the life of any physical person And I will discuss how I do it how
