Soul Surfer Johnny Returns Bill Missett, 2011-06-06 While writing Soul Surfer Johnny the first book in this series I was flooded with so many additional memories of Puerto Tranquilo that I knew a second book was waiting to be written By the time the first book was finished I had jotted down more than 125 other memorable episodes I was challenged to write the book that became Soul Surfer Johnny by Joel Fotinos vice president for spiritual books for Penguin Putnam publishers during a lunch we had in 2007 He had just read my Awakening The Soul The Trilogy and challenged me to write a novel incorporating the essence of that tome ala the most successful novel of the millennium Dan Brown s The Da Vinci Code While Soul Surfer Johnny is certainly no Da Vinci Code it does carry forth that essence of spiritual growth describing a young man s soul awakening The heart of the story however remains his many wild surfing adventures most in Puerto But it wasn t planned that way A number of years ago I began compiling a list of topics for my Puerto book which I knew I would write some day But I had no plans of incorporating those memories into the book Fotinos challenged me to write revealing how to create the spiritual awakening possible within each of us However when I started writing it was immediately apparent where this story was going to Puerto where my personal spiritual awakening occurred some 25 years earlier Thus the first Soul Surfer Johnny book had a serious underlying story of spiritual awakening that seemed out of place in a surfing adventure novel But it really wasn t because what was being portrayed as happening to Johnny really had happened to me and has occurred to others so I knew it was eminently possible I had so much fun writing Soul Surfer Johnny that I immediately started writing this book its direct sequel but with a difference This volume does not have that heavy underlying story of spiritual growth but rather only occasional references to Johnny s continuing awakening It s mostly outrageous tales of his many Puerto adventures and episodes This book richly continues the adventures of Soul Surfer Johnny the story of an East Coast bad boy who becomes a good kid as he learns to surf in the waves off Southern California In the process he joins his own sort of gang then ventures south to the big waves of Southern Mexico He is guided to Puerto Tranquilo in the late 1970s by several of his fellow Tyrony Bros gang members who had discovered the fantastic

surf break there several years before There he is witness to and participates in a bizarre series of adventures Unexpectedly he begins to explore his spirituality and discovers his true inner self for the first time dramatically improving his life Like its predecessor this continuing wild tale is almost true however sometimes the actual circumstances are slightly enhanced while conveying the basic truth For example a few wave heights may have been exaggerated occasionally except in the Big Wednesday chapter which is Johnny s true eye witness account But most of the book s stories actually happened as described It makes no claim toward being all inclusive or a legitimate history of the town It s just a lot of mostly true stories about a wonderful little town in Southern Mexico All stories are re told as accurately as memory serves [Raising a Soul Surfer](#) Cheri Hamilton,Rick Bundschuh,2011-07-04 Cheri Hamilton Bethany s mom tells the inspiring story of the Hamilton Family Bethany Hamilton s incredible story of surviving and thriving in the wake of a shark attack told in her best selling autobiography Soul Surfer has sold more than 1 5 million copies Yet her family s adventures started long before Bethany lost her arm and became a pro surfer Now Cheri Hamilton Bethany s mom tells the inspiring story of the Hamilton Family Raising a Soul Surfer invites readers to journey with the Hamiltons to the lush islands of Hawaii to experience a worldwide news event Bethany s shark attack from her parents point of view Witness the many small steps of faith and how God stepped in and gave them a higher purpose **Spirit and Sport** Sean Samuel O'Neil,2023-08-18 In Spirit and Sport Religion and the Fragile Athletic Body in Popular Culture Sean O Neil studies the intersectionality of religion and disability as it exists within contemporary sports To do so he calls to the forefront various contemporary stories about trauma and disability some fictional others biographical and examines how we tell and interpret these stories within the frameworks of athletic activity competition failure and success O Neil studies a wide range of perspectives from John Irving s A Prayer for Owen Meany and the big screen s Signs to the experiences of real life athletes like Tim Tebow Muhammad Ali and Bethany Hamilton Woven throughout his examination of each is a consideration of religious belief and practice especially within Christianity as it relates to athletic ability the lighthearted stories of victory and overcoming the inspiring triumph over fragility and limitation so often couched in religious terms O Neil s study draws upon his experiences as a hospital chaplain and his own battle with skin cancer By blending personal experience with sociological observation O Neil argues that the intersection of religion sports and disability in popular culture is a revealing site of cultural struggle over competing myths identities and values related to the body both the physical bodies we inhabit as well as the broader social bodies to which we subscribe Spirit and Sport is a study with broad appeal from O Neil s autoethnographic storytelling to the wide range of narrative media he examines religious scholars sports historians and general audiences alike are sure to find it a thought provoking and engaging read [Ask Bethany](#) Bethany Hamilton,2007 In her chatty and breezy style typical of any online conversation Bethany Hamilton shares information on a wide variety of topics about her life and faith [Soul Surfer](#) Bethany Hamilton,2006-06-01 Bethany Hamilton a teenage surfer lost her arm in a shark attack off the coast of Kauai Hawaii Not
