Wives and Wanderers in a New Guinea Highlands Society Marie Olive Reay,2022-01-18 *Wives and Wanderers in a New*

Guinea Highlands Society brings to the reader anthropologist Marie Reay's field research from the 1950s and 1960s on women's lives in the Wahgi Valley Central Highlands of Papua New Guinea. Dramatically written, each chapter adds to the main story that Reay wanted to tell: contrasting young girls' freedom to court and choose partners with the constraints and violence they were to experience as married women. This volume provides readable ethnographic material for undergraduate courses in whole or in part. It will be of interest to students and scholars of gender relations, anthropology, and feminism in Melanesia and the Pacific. The material in this book, which Reay had written by 1965 but never published, remains startlingly contemporary and relevant. Marie Olive Reay was a social anthropologist who did research in Australian Indigenous communities and in the Wahgi Valley in the Central Highlands of Papua New Guinea. Employed at The Australian National University from 1959 to 1988 when she retired, Reay passed away in 2004. In 2011, this manuscript was found in her personal papers, reconstructed and edited by Francesca Merlan, augmented here by an additional introduction by eminent anthropologist of the Highlands and of gender, Marilyn Strathern. Had this manuscript appeared when Reay apparently completed it in its present form around 1965, it would have been the first published ethnography of women's lives in the Central Highlands of Papua New Guinea. Its retrieval from Reay's papers and availability now adds a new dimension to works on gender relations in Melanesian societies and to the history of Australian and Pacific anthropology.

[American-Soviet Cultural Diplomacy](#) Cadra Peterson McDaniel, 2014-11-18

American Soviet Cultural Diplomacy: The Bolshoi Ballet's American Premiere is the first full-length examination of a Soviet cultural diplomatic effort. Following the signing of an American-Soviet cultural exchange agreement in the late 1950s, Soviet officials resolved to utilize the Bolshoi Ballet's planned 1959 American tour to awe audiences with Soviet choreographers' great accomplishments and Soviet performers' superb abilities. Relying on extensive research, Cadra Peterson McDaniel examines whether the objectives behind Soviet cultural exchange and the specific aims of the Bolshoi Ballet's 1959 American tour provided evidence of a thaw in American-Soviet relations. Interwoven throughout this study is an examination of the Soviets' competing efforts to create ballets encapsulating Communist ideas while simultaneously reinterpreting pre-revolutionary ballets so that these works were ideologically acceptable. McDaniel investigates the rationale behind the creation of the Bolshoi's repertoire and the Soviet leadership's objectives and interpretation of the tour's success, as well as American response to the tour. The repertoire included the four ballets *Romeo and Juliet*, *Swan Lake*, *Giselle*, and *The Stone Flower* and two Highlights Programs which included excerpts from various pre and post-revolutionary ballets, operas, and dance suites. How the Americans and the Soviets understood the Bolshoi's success provides insight into how each side conceptualized the role of the arts in society and in political transformation.
