Stop Rommel:

The End of the Beginning Malcolm Archibald, 2025-01-09 The North African desert 1942 Recovering from his injuries Lieutenant Douglas Tulloch returns to the Lothian Rifles just as the tide of war shifts With Rommel's forces pressing deep into Allied territory the British are pushed to their limits and the Lothians find themselves outgunned and struggling to hold the line The morale of Tulloch's unit is crumbling and he must rebuild trust among his men while navigating a war that seems increasingly hopeless As the men prepare for a defining battle at El Alamein personal encounters with the enemy force Tulloch to question not only his adversaries but also the cost of his duty A gripping story of courage leadership and the brutal reality of warfare THE END OF THE BEGINNING is the third book in Malcolm Archibald's series of historical war novels

Rommel's Last Victory Martin Blumenson, 2021-11-21 This book first published in 1968 examines the disastrous defeat suffered by inexperienced American troops newly landed in North Africa at the hands of Rommel The news of Kasserine shocked the United States militarily and politically and led to swift changes in equipment and tactics This book traces the battle through to its aftermath in a remarkable piece of battlefield investigation Manchester Evening News *Yigal Allon, Native Son* Anita Shapira, 2015-06-30 Born in 1918 into the fabric of Arab Jewish frontier life at the foot of Mt Tabor Yigal Allon rose to become one of the founding figures of the state of Israel and an architect of its politics In 1945 Allon became commander of the Palmah an elite unit of the Haganah the semilegal army of the Jewish community during the struggle against the British for independence In the 1947-49 War of Independence against local and invading Arab armies he led the decisive battles that largely determined the borders of Israel Paradoxically his close lifelong relations with Arab neighbors did not prevent him from being a chief agent of their sizable displacement A bestseller in Israel and available now translated into English Yigal Allon Native Son is the only biography of this charismatic leader The book focuses on Allon's life up to 1950 his clash with founding father David Ben Gurion the end of his military career and the watershed in culture and character between the Jewish Yishuv and Israeli statehood As a statesman in his more mature years he formulated what became known as the Allon Plan which remains a viable blueprint for an eventual two state partition between Israel and the Palestinians Yet in the end the promise Allon showed as a brilliant young military commander remained unfulfilled The great dream of the Palmah generation was largely lost and Allon's name became associated with the failed policies of the past The story of Allon's life frames the history of Israel its relationship with its Arab neighbors its culture and spirit This important biography touches on matters Israel's borders refugees military might that remain very much alive today **Dunkirk** Hugh Sebag-Montefiore, 2006 Using new material from British French Belgian German Russian and Czechoslovakian archives and interviews with the last surviving witnesses of the Dunkirk campaign Hugh Sebag Montefiore can at last tell the true story of how the British Army was evacuated from Dunkirk and from France in 1940 BOOK JACKET [Three Novels of World War II](#) Jeff Shaara, 2011-12-05 Jeff Shaara has written vivid perceptive portraits of America's wars that have thrilled and mesmerized

readers across generations Collected for the first time in this eBook volume are Jeff Shaara's epic New York Times bestselling novels of World War II *The Rising Tide* *The Steel Wave* and *No Less Than Victory* As the United States wades into the shifting tides of war Shaara details every move the tank battles along the Mediterranean coast the audacious invasion at Omaha Beach the deadly final spasms of the Third Reich He brings to life such figures as Eisenhower and Patton as well as the courageous men on the front lines of battle On full display throughout is the inimitable style and striking narrative range that have made Jeff Shaara such an esteemed and essential chronicler of the American age Contains an excerpt from Jeff Shaara's acclaimed new novel of World War II in the Pacific *The Final Storm* which Booklist called extraordinarily evocative

The Day Rommel Was Stopped F. R. Jephson, Chris Jephson, 2017-11-21 The true story of a forty eight hour showdown and the desperate gamble that prevented the Desert Fox from reaching the Suez Canal and beyond Biographer Sir John Wheeler Bennett once wrote The actual turning of the tide in the Second World War may be accurately determined as the first week of July 1942 This book argues that the time may be even more exact about 2100 hours on July 2 1942 when Erwin Rommel's tanks withdrew for the first time since the fall of Tobruk on June 20 or arguably January 14 at El Agheila At dusk the day before Rommel had broken through the center of the British defenses at El Alamein His tanks had overwhelmed the gallant defense of the 18th Indian Infantry Brigade in Deir el Shein at the foot of the Ruweisat Ridge At that moment and for the next twelve hours there was no further organized defense between the spearhead of the Afrika Korps and Alexandria Throughout the next day only a handful of men and guns stood between Rommel and his prize In Cairo black clouds of smoke from burning files showed that many people believed Rommel would not stop short of the Suez Canal his stated objective But on July 3 Rommel called off his attack and ordered his troops to dig in where they stood The Delta was saved Just a few weeks earlier the 18th Indian Infantry Brigade which took the brunt of the initial attack and the guns of the small column known as Robcol that stopped Rommel had been in northern Iraq Gen Auchinleck's desperate measure pulling them 1 500 miles from Iraq into the western desert succeeded but if Robcol had failed it is doubtful that Rommel would have stopped at the canal it does not require much imagination to see his forces threatening to link up with Barbarossa in the Ukraine This vivid account of the battle of Ruweisat Ridge the beginning of the battle of Alamein was written by an officer who was part of Robcol on that fateful day

The Day Rommel Was Stopped F. R. Jephson, Chris Jephson, 2022-03-23 The battle of 2 July 1942 at Ruweisat Ridge in North Africa is not well known but it was the day that Rommel was finally stopped This account was written by an officer in the small British force that turned back Rommel's forces

Rangers Lead the Way Thomas Taylor, 1996 In this well researched book by Thomas H Taylor you will see why the Rangers have become one of the U S Army's elite fighting groups Discover their roots from the early days of Darby's Rangers through WWII and Korea Maps show where they have been and action photographs capture the stress of training and the demands of combat Follow the Rangers as they lead the way through 50 years of military history

Rommel's Peace Lawrence Wells, 2008 When Hitler rejects

Rommel's request to draw up a surrender plan the field marshal acts on his own He sends Lt Max Speigner an American intelligence officer being held at a German POW camp to deliver a ceasefire offer to England Speigner is caught in the middle as events spiral out of control **Journal of the Common Council, ...** Detroit (Mich.). Common Council,1929

Think,1944 **Railway Age**,1944 **The War Against Rommel's Supply Lines, 1942-1943** Alan

Levine,1999-06-30 An exciting account of a little known yet vital part of World War II the Allied effort to blockade Axis forces in North Africa with a relatively small number of planes and submarines included some of the war's most spectacular air battles and opened the way to the attack on Fortress Europe from the south This is the first book length treatment of the crucial struggle to cut Axis supply lines in the Tunisian campaign of 1942-1943 a battle often ignored or played down even by official historians The campaign marked the first big U S victory against the Axis powers and served as a proving ground for several top Allied commanders This study fills an important gap in the history of the war reevaluating the development of Allied airpower and the role of Italy in the campaign Allied success in interdiction was a critical factor in the greatest Allied victory in the Mediterranean campaign a victory which left the enemy so weakened that it could not stop the subsequent invasion of Europe from the south Despite initial disorganization and early disappointments the British waged one of only two successful submarine campaigns ever fought This study describes some of the war's most amazing air battles notably Operation Flax against the enemy's air transport fleet and attacks on convoys all interwoven with the events of the ground war in the desert and comparisons with the Pacific effort It details the struggle to reorganize and improve the Allied effort the belated success of sea sweeps against enemy ships and the final victory in the spring of 1943 in which an air blockade was clamped on the sea and sky approaches to Tunisia *Time* Briton Hadden, Henry R. Luce,1942 **Hitler's Japanese**

Confidant Carl Boyd,1993 In 1940 the US Army Signal Intelligence Service broke the Japanese diplomatic code In 1975 Oshima Hiroshi Japan's ambassador to Berlin during World War II died never knowing that the hundreds of messages he transmitted to Tokyo had been fully decoded by the Americans and whisked off to Washington providing a major source of information for the Allies on Nazi activities **Churchill & His Generals** Raymond Callahan,2007 On the eve of World War II the British army was more an international police force than a combat ready fighting force This book examines its transformation in a look at Great Britain's top commanders in the field [British Intelligence in the Second World War:](#)

[Without special title](#) Francis Harry Hinsley,1981 **The Second World War** Basil Collier,1967 [Farewell to Alexandria](#) Charēs Tzalas,2000 The eleven short stories in this book take us back to an Alexandria past the cosmopolitan city as it was experienced by the author in the years before during and following the Second World War Against a backdrop of major events in Alexandria's history from the halcyon days of the late 1930s through the alarms of the War to the 1952 Revolution and the dispersion of almost the entire foreign community of the city Tzalas weaves his stories peopled with characters from his youth These are ordinary people people of different nationalities and faiths but all Alexandrians living side by side in the

Great City In describing each character with great sensitivity and perception Tzalas succeeds not only in capturing the essence of the city itself but in poignantly foretelling the fundamental changes and exodus that were to come The events surrounding among others a German family caught in the city during the Second World War three French monks an old Greek musician and a group of cultivated elderly Alexandrian gentlemen are told with an affection often tinged with sadness Through these characters Tzalas tells the story of everyday lives caught up in the turbulent currents of history and the transformation of a beloved city the end of an era Each of the eleven stories is accompanied by an evocative illustration by Anna Boghiguan

Master of the Battlefield Nigel Hamilton, 1983 Master of the Battlefield charts the biography of Field Marshal Viscount Montgomery from his decisive victory at El Alamein through the Battle of Normandy It details the most complex full years of Montgomery s career following the time he became a household name after his North African campaign and including his battles in Sicily and Italy and the final Allied conquest in France in 1944 Based on Montgomery s secret diaries letters and vast collections of private papers which have remained confidential and inaccessible until now this is the authorized biography of Montgomery in his most important years as commander Jacket flap
