Doctor Dolittle The Complete Collection, Vol. 2 Hugh Lofting, 2019-11-12 Just in time for the major motion picture Dolittle starring Robert Downey Jr soaring into theaters on January 17 2020 Journey into the world of Doctor Dolittle the kind and eccentric naturalist who can speak with animals Working with original author Hugh Lofting s son these books have been fully updated for the modern reader all while retaining the full charm of the originals Rediscover the children s literature classic with three novels from the beloved series Back from Africa the Doctor is short of money as always So he takes the pushmi pullyu on tour in Doctor Dolittle s Circus But in Albert Blossom s circus what he finds is a whole new family of animals in need of his help In Doctor Dolittle s Caravan he expands his circus to include the grand Canary Opera and makes a sensation of its star Pippinella whose story is told in full in Doctor Dolittle and the Green Canary And in Doctor Dolittle and the Green Canary Pippinella tells her story to Doctor Dolittle in her own words **Melody** ,1926 **Airpower Pioneers** John Andreas Olsen, 2023-01-15 Airpower Pioneers studies twelve especially influential airmen detailing their impact on the evolution of the United States Air Force USAF Rather than focus on command in a series of air campaigns this book describes the personal qualities and careers of people who distinguished themselves first and foremost by advancing airpower theory doctrine and strategy and in certain cases by implementing significant organizational changes in the USAF structure Some held important positions during wartime but except for a few who excelled in both combat and peace those selected for inclusion in this volume made their main contributions to advancing aerospace power away from the front line as planners organizers educators and strategists The future of aerospace power requires airmen not only to push the limits in combat but also to emphasize publicly and frequently what is special and vital about airpower The distinctive characteristics of airpower speed range flexibility precision and lethality have improved with every new generation of aircraft and weapon systems The history of modern warfare is full of empirical evidence of airpower s relevance Looking ahead the main challenge for air forces all over the world is to match advances in technology with new ideas All air forces need visionary men and women whose reach

exceeds their grasp who are determined to adapt to new security and defense realities rather than adhere to romanticized ideas of yesteryear and whose organizational skills ensure successful implementation of new ideas despite inevitable resistance to change

John Laurens and the American Revolution Gregory D. Massey, 2016-12-13 An excellent biography of General Washington's aide de camp a daring soldier who advocated freeing slaves who served in the Continental Army Journal of Military History Winning a reputation for reckless bravery in a succession of major battles and sieges John Laurens distinguished himself as one of the most zealous self sacrificing participants in the American Revolution A native of South Carolina and son of Henry Laurens president of the Continental Congress John devoted his life to securing American independence In this comprehensive biography Gregory D Massey recounts the young Laurens's wartime record a riveting tale in its own right and finds that even more remarkable than his military escapades were his revolutionary ideas concerning the rights of African Americans Massey relates Laurens's desperation to fight for his country once revolution had begun A law student in England he joined the war effort in 1777 leaving behind his English wife and an unborn child he would never see Massey tells of the young officer's devoted service as General George Washington's aide de camp interaction with prominent military and political figures and conspicuous military efforts at Brandywine Germantown Monmouth Newport Charleston Savannah and Yorktown Massey also recounts Laurens's survival of four battle wounds and six months as a prisoner of war his controversial diplomatic mission to France and his close friendship with Alexander Hamilton Laurens's death in a minor battle in August 1782 was a tragic loss for the new state and nation Unlike other prominent southerners Laurens believed blacks shared a similar nature with whites and he formulated a plan to free slaves in return for their service in the Continental Army Massey explores the personal social and cultural factors that prompted Laurens to diverge so radically from his peers and to raise vital questions about the role African Americans would play in the new republic Insightful and balanced an intriguing account not only of the Laurens family in particular but equally important of the extraordinarily complex relationships generated by the colonial breach with the Mother Country North Carolina Historical Review
