Stranded With Santa:

STRANDED WITH SANTA Janet Tronstad, 2014-06-15 Rodeo heartthrob Zach Lightning Lucas was looking for a little Christmas fun Dressing up as Santa to deliver the mail wasn't exactly what he had in mind But he also hadn't expected to be stranded with beautiful young widow Jenny Collins What Jenny needed was someone to be a father to her two young children Not some handsome cowboy just passing through one who made her tremble with desire She knew once the roads cleared Zach would be off to roam the country and break hearts Or would he change his wild ways and keep her warm long after the snow melted **The Nautical Magazine**, 1874 Nautical Magazine, 1873 *Merchant Vessels of the United States*, 1943 Preliminary [and Final] Report[s] of the Commissioners, Minutes of Evidence, and Appendix [etc.] Great Britain. Cross Stitch Collection December 2015 Magazines Global, Cross Stitch Collection December 2015 Stupid Christmas Leland Gregory, 2010-09-14 From absurd 911 calls to presidential philosophizing and foolish felons Leland Gregory generates the best laughs by exposing the worst of human nature Following up his New York Times best selling Stupid American History Gregory sets his sights on the holidays as he exposes mind numbing mistletoe maladies in Stupid Christmas Idiots under the Mistletoe Perhaps it's the spiked eggnog or the multiple family members gathered around crazy colored twinkly lights but the holidays are rife with idiocy by the daft and the dumb Inside this latest collection Gregory offers more than 200 accounts of holiday induced stupidity including While smoke billowed out of the store firefighters had to physically restrain enthusiastic shoppers from entering a Great Lakes Mall store during an electrical fire In 1995 officials debated over whom to invite to the city's Christmas tree ceremony President Bill Clinton or the Mighty Morphin Power Rangers As a joke Andrew Jackson sent formal invitations to his Christmas ball to a well known mother and daughter prostitute team in Salisbury North Carolina Annual Report Canada. Dept. of Marine, 1919 **From Flowers to Ash** Philip Edward Coyle, 2001-10 In recent years the N yari Cora people of northwestern Mexico have experienced violence at the hands of drug producers and traffickers Although a drug economy may seem potentially lucrative to such peasants spreading violence tied to this trade threatens to destroy their community This book argues that the source of the problem lies not solely in drug trafficking but also in the breakdown of traditional political authority By studying the history of religious practices that legitimate such authority Philip Coyle shows that a contradiction exists between ceremonially based forms of political authority and the bureaucratic and military modes of power that have been deployed by outside governments in their attempts to administer the region He then shows how the legitimacy of traditional authority is renewed or undermined through the performance of ceremonies Coyle explores linkages between long term political and economic processes and changes in N yari ceremonial life from Spanish contact to the present day As a participant observer of N yari ceremonies

over a ten year period he gained an understanding of the history of their ceremonialism and its connections to practically every other aspect of N yari life His descriptions of the Holy Week Festival mitote ceremonies and other public performances show how struggles over political legitimacy are intimately tied to the meanings of the ceremonies With its rich ethnographic descriptions provocative analyses and clear links between data and theory Coyle s study marks a major contribution to the ethnography of the Indians of western Mexico and Latin America more generally It also provides unusual insight into the violence raging across the Mexican countryside and helps us understand the significance of indigenous people in a globalizing world
