## Strange Deaths:

Strange Deaths Val Stevenson,2000      The Strange Deaths of President Harding Robert H. Ferrell,1998-09-16 Available for the first time in paperback The Strange Deaths of President Harding challenges readers to reexamine Warren G Harding s rightful place in American history For nearly half a century the twenty ninth president of the United States has consistently finished last in polls ranking the presidents After Harding s untimely death in 1923 a variety of attacks and unsubstantiated claims left the public with a tainted impression of him In this meticulously researched scrutiny of the mystery surrounding Harding s death Robert H Ferrell distinguished presidential historian examines the claims against this unpopular president and uses new material to counter those accusations At the time of Harding s death there was talk of his similarity personally if not politically to Abraham Lincoln Secretary of State Charles Evans Hughes described Harding as one of nature s noblemen truehearted and generous But soon after Harding s death his reputation began to spiral downward Rumors circulated of the president s death by poison either by his own hand or by that of his wife allegations of an illegitimate daughter were made and question were raised concerning the extent of Harding s knowledge of the Teapot Dome scandal and of irregularities in the Veterans Bureau as well as his tolerance of a corrupt attorney general who was an Ohio political fixer Journalists and historians of the time added to his tarnished reputation by using sources that were easily available but not factually accurate In The Strange Deaths of President Harding Ferrell lays out the facts behind these allegations for the reader to ponder Making the most of the recently opened papers of assistant White House physician Dr Joel T Boone Ferrell shows that for years Harding suffered from high blood pressure was under a great deal of stress and overexerted himself it was a heart attack that caused his death not poison There was no proof of an illegitimate child And Harding did not know much about the scandals intensifying in the White House at the time of his death In fact these events were not as scandalous as they have since been made to seem In this meticulously researched and eminently readable scrutiny of the mystery surrounding Harding s death as well as the deathblows dealt his reputation by journalists Ferrell asks for a reexamination of Harding s place in American history      Unusual Ways to Die James Proud,2018-06-14 Over the ages death has come in some very unpredictable forms This irreverent little book gathers together some of the most peculiar and outrageous ways that people across the globe have met their untimely ends Whether shocking or silly these true stories are proof at least that the grim reaper has a strange sense of humour      **Weird Texas** Wesley Treat,Heather Shades,Rob Riggs,2009-05 If your taste extends to the odd side of traveling this is your ticket Booklist      Puzzlements & Predicaments of the Bible Howard Books,2008-08-19 Explore a new world of biblical adventure and excitement through this entertaining collection of stories There are many trivia games in society today from radio programs and board games to online quizzes and contests People love those little known facts that most of the time escape our attention Puzzlements Predicaments of the Bible takes great truths of Scripture and translates them into easily learned tidbits of information in an innovative manner This book will keep
