Strange Way To Save Dac:

Story Fix Larry Brooks, 2015-08-07 Reinvalidate Your Fiction You've written the first draft of your novel or screenplay and you've released it into the world to your critique group to your most trusted beta readers or even to an agent or an editor. But something's wrong. You're not getting the glowing response you had expected or you might have even received a rejection. Your story is getting a Meh when you had hoped for an Amazing. But have no fear, the piece you've sweated and bled over isn't dead on arrival. It just needs fixing. Story Fix is the answer to your revision needs. With practical techniques from critically acclaimed author and story coach Larry Brooks, you will learn how to develop a story fixing mind set, navigate the two essential realms of revision: story and execution. Evaluate your novel or screenplay against twelve crucial storytelling elements and essences. Strengthen your concept and premise. Punch up the dramatic tension, pacing, thematic weight, characterization, and more. Align your story with proven structural principles. Filled with candid advice on the realities of the publishing world and helpful case studies of real authors who fixed their own stories, Story Fix isn't just about revision; it's about resurrection. Infuse your fiction with a much-needed jolt of electricity and bring it back to life. Larry Brooks is a superb storyteller and teacher. If anyone can fix your novel, it's him. Put this one on your desk and read it often. Robert Dugoni, 1

Amazon and New York Times best-selling author of *My Sister's Grave*. Story Fix is the ultimate writer's companion for taking any manuscript to the next level. A staple for the beginner, a refresher for the pro. Joe Moore, 1 Amazon and international best-selling co-author of *The Blade* and *The Shield*. **Legal Thoughts Convert** Jan M. Broekman, Frank Fleerackers, 2020-03-07

This book highlights how conversion via communication is one of the most important issues in legal thinking. A major aspect is its link with language: legal texts, judgments, opinions, and legal concepts included. Further conversion is connected to all social positions in law. But a jurist will not solely master specific social behaviors or become the manager of large-scale political fields of law as a legal scientist. A continuously changing integration opens up to his views on reality as it presents itself incessantly. Law and its functionaries are in a never-ending process of change in all domains of culture which mark the 21st century. Conversions thus concern the riddle of wisdom and automatism of individual privacy and social fixations of philosophical considerations and converting flows. **On Your Way to Writing** Rhona B.
