in faith She will also gain values that will benefit her and others for the rest of her life Also according to Arabella s ancestor s handwritten scroll no one in the castle will know that she is gone because each journey will last a moment there at the Wellington Castle however each journey Arabella goes on while she is in the distant lands will last up to eleven months It was the same for the other Wellington girls the mysterious tree appeared to after they turned eleven years old the ones who lost their mothers the baronesses during childbirth When Arabella realizes she has the opportunity of a lifetime to see great fantastic adventures on her journeys and goodwill missions to help others in need she decides it beats sitting in the old castle waiting for her father to get over her mother s death and return to her at the Wellington Castle more permanently as she is growing up because she wants her father to be with her She is indeed looking forward to her four journeys and her first journey is about to begin
