Indians at all For generations South Carolina s remaining Indians struggled to avoid reduction to the oppressed social status  
of Negroes Their desperation eventually fostered anti Black sentiment within some of the groups an affliction that still infects

a few of the older community members Generations have passed since the Jim Crow era Today the Palmetto State s Indians focus less on imagined racial purity and more on the welfare of their communities preserving their customs and honoring their ancient traditions Much work remains to be done by and for all of the tribal groups of South Carolina The tribes strive to convert state recognition which now serves only as a morale booster into a true vehicle to promote tribal educational economic and healthcare improvement South Carolina s state recognized tribes are now hard at work to accomplish this goal When the author has spent many years traveling to Indian communities around the Southeast and talking to Indian elders as Pony Hill has done he must be admired not only for his authenticity but also for his scholarship This book then is where an authentic perspective is enhanced by thorough scholarship John H Moore Ph D Anthropology Department University of Florida S Pony Hill was born in Jackson County Florida He holds a degree in Criminal Justice from Keiser University Dean s List Phi Theta Kappa Honors Society member He was previously a contract researcher for federal recognition grants under Administration for Native Americans and for members of the United Ketowah Band Cherokee Nation and Sumter Band of Cheraw specializing in Southeastern Indian documentation He is the author of Patriot Chiefs and Loyal Braves available online Mr Hill currently lives in San Antonio Texas
