The Bad Angel:

The Bad Angel Ernest K. Gann,1989-01-13 **The Bad Angel** Ernest K. Gann,1989-01-01 Adventure suspense The Bad Angel Brothers Paul Theroux,2022-09-06 From the legendary American master Paul Theroux comes a brilliant new novel of chilling psychological depth the tale of a younger brother whose lifelong rivalry with his older brother a powerful lawyer with a pattern of gleefully vicious betrayals culminates in the ultimate plan murder Cal has always lived in the shadow of his manipulative and domineering brother Frank who was doted upon by their mother and beloved by the girls in their small New England hometown including Cal s own girlfriends In an attempt to escape Frank s intrusive presence Cal pursues a different kind of freedom in the world s wild spaces prospecting for gold and precious minerals everywhere from the heat of the desert at the Mexican border to the Alaskan chill to central Africa and Colombian mines where he will meet the love of his life Vida Soon he is dripping in wealth his pockets full of gold nuggets and emeralds but the money means far less to him than his independence To Frank however Cash is king As Cal s success grows so too does Frank s power and his influence in Cal s affairs the devastating threat he creates at the center of his little brother s life And ultimately when Frank decides to commit the ultimate betrayal Cal is left with only one final solution Few writers have as keen an eye for human nature as the inimitable Paul Theroux and this riveting tale of adventure betrayal and the true cost of family bonds is an unmissable new work from one of America s most distinguished and beloved novelists **Bad Angel** J. The Belanger Brotherhood Paul Theroux,2022-09-22 There s sibling rivalry and then there s the relationship of brothers Cal and Frank Belanger which takes fraternal antipathy to a whole new level Enemies seemingly since childhood the small town of Littleford where they are nicknamed The Bad Angel Brothers just isn t big enough to hold them both So Cal strikes out for the world s wild places a gifted geologist in search of gold and other precious minerals leaving Frank to develop a successful career as the town s lawyer fixer and local hero Apart their differences are muted by distance but when Cal newly rich and newly wed returns to the town of his birth to buy a house and raise a family Frank gives him the opposite of a brotherly welcome From undermining Cal s marriage while Cal is away on business to torpedoing his finances nothing is off the table setting the scene for a tale of gleefully vicious betrayals and reprisals culminating in the ultimate plan murder Few authors have as keen an eye for human nature as the inimitable Paul Theroux and this riveting tale of adventure betrayal and the true cost of family bonds is a remarkable new work from one of America s most distinctive writers
