# Storm Caller

**Carol Severance**

## Storm Caller:

*The Storm's Call* T.A. White,2022-01-18 The path to peace is never easy As the first Caller in living memory Eva struggles to find her footing as the bridge between her chosen people and the mythological race known as the Kyren When unexpected arrivals threaten to test the newly formed alliance Eva and her protector Caden fight to hold together the fast fraying bonds before peace unravels and war once again returns Should she fail bloodshed the likes the Broken Lands haven t seen since the cataclysm will stain the ground red The mysterious abilities that lie at the heart of Eva s power will be her salvation or lead to her becoming an evil far worse than anything seen before Will this land fall or be reborn into a new age Storm Caller Carol Severance,2012-07-02 Legendary island warrior Iuti Manu is seeking refuge from her murderous brothers across the Empty Sea Accompanied by Tarawe the Storm Caller Iuti flees her brothers revenge for destroying the family s totem the shark god But the sea does not live up to its name On what is supposed to be an empty wet wasteland is a distant island On this island mirage the earth is rumbling and the dolphins are battling the birds for possession of the air as well as the sea The only inhabitants are bloodthirsty bird worshippers who are searching for a fresh sacrifice Iuti must battle her nemesis alone but only when the Storm Caller has mastered the art of controlling the winds and water Together they help repair the broken magic of the sea *The Symphony of Glass Cities: The Last Bard's Awakening* Hannah Wilkinson,
