**The Sleeper Awakes** H G Wells,2020-03-21 A troubled insomniac in 1890s England falls suddenly into a sleep like trance from which he does not awake for over two hundred years During his centuries of slumber however investments are made that make him the richest and most powerful man on Earth But when he comes out of his trance he is horrified to discover that the money accumulated in his name is being used to maintain a hierarchal society in which most are poor and more than a third of all people are enslaved Oppressed and uneducated the masses cling desperately to one dream that the sleeper will awake and lead them all to freedom

**The Sleeper Awakes** Herbert George Wells,2018-04-05 This is a short novel about a nineteenth century Englishman who falls in a deep sleep only to awake over two hundred years later The World has changed beyond recognition and The Sleeper finds himself in a remarkable predicament he has become the owner of the entire planet However his awakening profoundly shakes this state of affairs and he suddenly finds himself at the very center of revolutionary social upheavals and a struggle for the ultimate power But when he comes out of his trance he is horrified to discover that the money accumulated in his name is being used to maintain a hierarchal society in which most are poor and more than a third of all people are enslaved This struggle is the main focus of the larger part of the novel The novel proposes that whatever is done officially for the good of society individual ambition is unlikely to address the failure of capitalist structures to create a good standard of living for those whose work supports the system
