good girl gone bad knows there's just one thing to do run Travis has been all over the world but Gemma has never been far from his thoughts So when they had the chance to catch up over a few drinks he didn't hesitate Of course he didn't expect it would lead to marriage or a runaway bride Travis finally has a second chance and doesn't plan on losing Gemma again or the son he didn't know he had He proposes albeit belatedly a date Or rather a few If they can make this marriage work by starting over he stays If not Gemma's not interested she's got a son to protect and a heart to heal But having Travis around could make both a little easier Still good girls don't date rock stars right
