Solution Focused Groupwork

John Sharry

Solution Focused Groupwork:

Solution-Focused Groupwork John Sharry, 2001-10-19 I found this to be an enlightening book clearly written helpfully presented and dare I say it educational It makes many proper and relevant references to the literature is very easy to dip into and provides a logical and purposeful progression in its organization Whatever context background or approach its readers bring it will cause them to reflect by comparison on the many ingredients that form the recipe of groupwork The book echoes what Solution Focused Groupwork is all about being practical and optimistic about human potential Nurturing Potential In this comprehensive and well targeted book John Sharry manages to cover the key points relating to working with groups in a solution focused way in an easy and relaxed style John Sharry s experience shines through with many examples and case studies illustrating the ideas Starting with the basics of SFBT John Sharry moves on to examine the lifecycle of solution focused groups and the key skills of managing process and helping the group stay focused on their solutions in a respectful and affirming way The book ends with some example activities for use in groups where a creative approach to process may help the members to move forwards The book is well referenced and indexed and structured to allow easy navigation for the reader John Sharry has produced a book which will interest not only group therapists but also anyone interested in helping groups stay on track towards solutions Amazon Review Solution Focused Groupwork picks up where Irving Yalom s classic Theory and Practice of Group Psychotherapy Basic Books 1995 left off In a thoughtful step by step and easy to read fashion John Sharry integrates the best from established principles of group therapy with recent advances in brief strength based resiliency oriented treatment approaches A must read for practitioners working with groups Scott D Miller Co Founder Institute for the Study of Therapeutic Change Chicago John Sharry has fluency with language that allows complexity to sit side by side with clarity and ideas to flow across the page This is a book that must be read by anyone interested in front line developments in solution focused therapy Chris Iveson Brief Therapy Practice London In this comprehensive and well targeted book John Sharry manages to cover the key points relating to working with groups in a solution focused way in an easy and relaxed style John Sharry s experience shines through with many examples and case studies illustrating the ideas The book is well referenced and indexed and structured to allow easy navigation for the reader John Sharry has produced a book which will interest not only group therapists but also anyone interested in helping groups stay on track towards solutions The Solutions Focus The author has created interesting and thought provoking arguments that provide a balanced analysis of abuse therapy in particular Repression Dissociation and False Memory Retrieval Clare Young The Journal of Critical Psychology Counselling and Psychotherapy Another addition to the excellent Sage Brief Therapies series of books which provide highly practical guides for professionals seeking knowledge in the subject Changes Solution Focused Groupwork is an innovative and highly practical guide for all professionals who use groups to help people For those new to the approach it provides a clear step by step introduction while for more experienced practitioners it presents ideas and

techniques which can be readily integrated into existing practice John Sharry examines the therapeutic factors which characterize solution focused groupwork and which contribute to its effectiveness Using carefully selected case studies and examples he takes the reader through the various stages in the therapeutic process from getting started to the final session The book also provides creative exercises for use in practice and guidance on evaluating the outcomes of group work and how to tackle difficulties which arise Solution Focused Groupwork is ideal for individual study and for use on courses in a wide range of fields including counselling social work therapy and nursing

Solution-Focused Groupwork John Sharry, 2007-10-25 Solution Focused Groupwork 2001 was a major contribution to the literature on groupwork It has been one of this author's most influential books The Second Edition contains much new material including the uses of problem talk an activity normally avoided by solution focused therapists Preparation for groups client motivation and collaboration are all explored in detail The role of or necessity for social time to be built into the therapy model is an interesting and novel idea Suggestions are made for client evaluation and for creative exercises to enhance the group process All in all the result is a valuable and readable new edition Dr Alasdair J Macdonald Enlightening clearly written and helpfully presented The book echoes what Solution Focused Groupwork is all about being practical and optimistic about human potential David Jaques Author of Learning in Groups A fund of practical wisdom which will give confidence and encouragement to everyone trying to run groups along solution focused lines Bill O Connell Focus on Solutions Limited Birmingham John Sharry has drawn on a combination of extensive experience in running groups and a thorough understanding of current developments to produce an inspiring and practical guide to this powerful way of helping people to change I have recommended the first edition many times and have been sharing the good news of this new edition ever since I knew it was under way John Wheeler MA UKCP Registered Family Therapist Social Worker and Independent Trainer Sharry's book offers a persuasive alternative to traditional methods of group practice The new edition enhances the applicability of an already major contribution to solution focused practice It is obviously written from a real practitioner who understands the process and elements of group work He offers excellent case material throughout to help demonstrate the skills and values of this approach and does so in a readable and engaging manner suitable for students and professionals at all levels of expertise Professor Robert Blundo Ph D LCSW Strengths Collaborative Department of Social Work University of North Carolina Wilmington Wilmington NC U S A This slim tautly written volume disguises an enormously practical treasure store to help group facilitators Solution Focused Groupwork should be essential reading Barbara Wilson Family Mediation in Practice Solution Focused Groupwork Second Edition is a highly practical guide for all professionals who use groups to help people For those new to the solution focused approach it provides a clear step by step introduction while for more experienced practitioners it presents ideas and techniques which can be readily integrated into existing practice Using carefully selected case studies John Sharry takes readers through the various stages in the therapeutic process from getting started to the final session He also provides

creative exercises for use in practice guidance on evaluating the outcomes of group work and a new model for group supervision A real strength of the book is in showing practitioners how to create a constructive positive and solution focused group culture and how to maintain this culture in spite of the challenges tensions and difficulties that naturally arise within groups John Sharry is a Principal Social Worker in the Department of Child and Family Psychiatry Mater Hospital and part time Director of the Brief Therapy Group Private Practice and Consultancy

Solution Focused Group Therapy Linda Metcalf,1998 In our managed care era group therapy long the domain of traditional psychodynamically oriented therapists has emerged as the best option for millions of Americans However the process can be frustratingly slow and studies show that patients actually feel worse after months of group treatment than when they began Can and should the group speed a person s progress Now in this must have book marriage and family therapist Linda Metcalf persuasively argues that the collaborative nature of group therapy actually lends itself to time limited treatment She combines the best elements of group work and the popular solution focused brief therapy approach to create new opportunities for practitioners and patients alike Among the topics covered in this valuable guide are how to learn the model how to design a group and recruit members how to identify exceptions to a group member s self destructive behaviors and thoughts how to help members focus on their successes rather than their failures how to keep the group solution focused when therapists or members fall back into old patterns This unique resource also includes case examples and session transcripts to follow together with reproducible forms that can be used as they are or tailored to a therapist s needs Solution Focused Group Therapy is an up to the minute highly accessible resource for therapists of any orientation Managed care companies in particular will welcome this model which deals so effectively and economically with today s biggest problems including eating disorders chemical dependencies grief depression anxiety and sexual abuse

Discursive Perspectives in Therapeutic Practice Andy Lock, Tom Strong, 2012-04-05 For an endeavour that is largely based on conversation it may seem obvious to suggest that psychotherapy is discursive After all therapists and clients primarily use talk or forms of discourse to accomplish therapeutic aims However talk or discourse has usually been seen as secondary to the actual business of therapy a necessary conduit for exchanging information between therapist and client but seldom more Psychotherapy primarily developed by mapping particular experiential domains in ways responsive to human intervention Only recently though has the role that discourse plays been recognized as a focus in itself for analysis and intervention Discursive Perspectives in Therapeutic Practice presents an overview of discursive perspectives in therapy along with an account of their conceptual underpinnings The book starts by setting out the case for a discursive and relational approach to therapy by juxtaposing it to the tradition that that leads to the diagnostic approach of the DSM V and medical psychiatry It then presents a thorough review of a range of innovative discursive methods each presented by an authority in their respective area The book shows how discursive therapies can help people construct a better sense of their world and move beyond the constraints caused by the cultural preconceptions opinions and values the client has about the

world The book makes a unique contribution to the philosophy and psychiatry literature in examining both the philosophical bases of discursive therapy whilst also showing how discursive perspectives can be applied in real therapeutic situations The book will be of great value and interest to psychotherapists and psychiatrists wishing to understand explore and apply these innovative techniques

Group Work Samuel T. Gladding,1999 The fourth edition of this highly readable book examines all of the essential skills required to be an effective leader of a variety of groups in a variety of settings It explores the history of group therapy work and the development of groups how they grow how they change and how various groups differ It addresses the specifics of working with children adolescents adults and the elderly And it discusses ten prominent theoretical perspectives from which groups can be approached covering how each theory evolved how it is practiced and the results it most commonly achieves Includes coverage of working with gay lesbian bisexual clients in groups and includes expanded coverage of the multicultural aspects of group work and understanding the influence of culture ethnicity religion sexual orientation and other factors on how groups function and what they can accomplish For professionals in the field of group counseling

Evidence-based Group Work in Community Settings David E. Pollio,Mark J. Macgowan,2011 There has been a strong recent trend towards incorporating evidence into Social Work practice in general and into group work in particular This trend has focused on the education of students in the use of evidence development of evidence based interventions and discussion of how evidence can be used to improve practice A limitation of most of this literature is that it has been written by researchers for the consumption of practitioners limiting the ability of evidence based practices to be incorporated into unique community settings and with specific populations In spite of this difficulty implementation of evidence based practices continues quietly in practice settings This book describes efforts to integrate evidence into community settings which have two foci The first part details group models developed through collaborations between researchers and community agencies Each chapter details efforts to implement research or review programs in community settings The second part deals with issues around instruction and dissemination of evidence based group work into practice settings The volume makes a significant contribution to the discussion about evidence based group work This book was published as a special issue of Social Work with Groups

Social Workers' Desk Reference Albert R. Roberts,2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice

Translating Theory to Practice Richard D. Parsons,2009 This guide leads counseling students through the step by step process of receiving client information synthesizing the data and understanding how to respond and act effectively With a central focus on this procedural knowledge this guide also concentrates on developing the skills needed to build client relationships

Approaches to Group Work ,2003 Intended as a supplement to a theoretical counseling book this handbook

presents twenty three practical approaches to working with children adolescents and adults on such goals as making friends succeeding in school planning a career and being a good parent Taken together these ideas will well equip future counselors to address a variety of issues in a wide range of settings This book covers the standard presentation for each approach Consisting of purpose statement conceptual framework goals pre screening and orientation outline for eight sessions evaluation experience and referral follow up plans For professionals in the field of counseling **Families in Society** ,2008

Generalist Social Work Practice Karla Krogsrud Miley,Michael O'Melia,Brenda DuBois,2007 The Fifth Edition of this innovative text continues to emphasize a generalist empowerment oriented approach along with practice strategies and techniques for working toward individual client and social change The Fifth Edition updates the contemporary themes of social work practice into an integrated practice process New resources extend the research base add breadth and depth and position this book as a defining work for articulating an empowerment based method of social work practice *The Encyclopedia of Social Work* Terry Mizrahi,Larry Davis,National Association of Social Workers,2008-04-24 A new completely updated revised and expanded 20th edition of this essential work coming February 2008 Order now and take advantage of our special prepublication price Oxford University Press and The National Association of Social Workers are proud to announce that a new completely updated revised and expanded 20th edition of this essential work will publish in February 2008 The 400 articles this 4 volume set cover all aspects of social work from practice and interventions social environments social conditions and challenges to social policy and history This new edition of the Encyclopeda includes coverage of areas that have come to the fore since the 1995 publication of the 19th edition including demographic changes from immigration technology the implications of managed care faith based assistance evidence based practice gerontology and trauma and disaster Each thoughtful article is written and signed by a top academic or social work practitioner and includes a bibliography for further reading For even further ease of use all volumes are fully cross referenced and includes a complete Index This convenient and authoritative core reference work is an essential tool for fact finding studying for licensing exams supplementing course work initiating literature searches and supporting practice decisions The Encyclopedia presents an in depth look at the ever changing field of social work The foundation of any social work collection the Encyclopedia will be a treasured addition to the library of practitioner scholar and student alike **Solution-Focused Groupwork** John Sharry,2007-11-08 Solution Focused Groupwork Second Edition is an innovative and highly practical guide for all professionals who use groups to help people For those new to the approach it provides a clear step by step introduction while for more experienced practitioners it presents ideas and techniques which can be readily integrated into existing practice In this fully updated revision including a brand new chapter on Supervision John Sharry examines the therapeutic factors that characterize solution focused groupwork and contribute to its effectiveness Using carefully selected case studies and examples he takes the reader through the various stages in the therapeutic process from getting started to the final session

New Developments in Group Counseling ERIC Clearinghouse on Counseling and Student Services, Greensboro, NC.,1997 Group counseling is a rapidly changing field This collection of 31 digests examines various aspects of group process and group counseling The digests are arranged under different subject headings In section 1 the nature of group work is examined along with the evolution of group work training since 1990 The second section looks at application of theories in groups highlighting such approaches as solution focused counseling impact therapy and the use of gestalt psychodrama The next heading explores groups in the schools and includes discussions of interferences to small group work children of divorce the use of creative arts psychodrama techniques and the inclusion of students with disabilities in group work Working with adults and families is covered in section four This section offers insights into helping older adults age conducting parent education groups multiple family group therapy and multifamily group psychotherapy Section five deals with group dynamics and group processes Some of the suggestions here center on efficient therapy groups using corrective feedback using self concept as an integrator of group process and group psychotherapy and close friendships A group model is also offered Since many groups accompany special circumstances section six gives advice on handling clients experiencing grief how to confront hostile behavior group dynamics and problem members interventions with ex cultists members with disabilities and multicultural group counseling The last two sections delve into teamwork and its importance in group work and the education of groups and of group specialists Contains an annotated bibliography of resources on group process and group counseling RJM

Technology and Transcendence Michael Breen,Eamonn Conway,Barry McMillan,2003 This collection of essays represents the work of fifteen scholars in four disciplines philosophy theology sociology and cultural studies It offers an interdisciplinary reflection on the role and impact of technology in society focusing on the i

Counselling Skills for Social Work Lisa Miller,2005-12-15 Focusing on eight principle therapeutic models of counselling skills this text illustrates how the underlying theories can be applied to professional social work practice

Group Work Bradley T. Erford,2011 Group Counseling in the School and Clinic offers a comprehensive introduction on how to lead task psychoeducational counseling and psychotherapy groups from a systemic theoretically integrative perspective Giving significant attention to pro developmental leader and member roles multicultural applications outcome research and accountability in group work this text goes far beyond the traditional focus on only counseling and psychotherapy The effective preparation of group leaders has become increasingly more important in recent years due to managed care and educational reform movements and Group Counseling in the School and Clinic emphasizes the systemic approach to group work that is preparing group leaders to facilitate the systemic group process from planning the group through the four stages of group work forming and orienting transition working and termination Showing students how to master the facilitation of these defined stages of group work allows them to effectively work with clients in all types of group contexts and topics and from a theoretically integrative perspective Throughout the book readers are exposed to the foundations of

group work by exploring the historical forces that shaped group work today the therapeutic factors that underlie effective group approaches and the advantages and disadvantages of group work Students will build a foundation of multicultural ethical and legal group work attitudes and knowledge and skills before learning to distinguish the roles of group members and group leaders While many comparable texts portray group member roles from a negative or destructive perspective this text looks at the pro developmental needs of group members with a focus on helping members to appropriately self disclose and give and receive feedback to enhance the therapeutic value of the group experience Leader skills are emphasized early in the text to help students understand and master the role of the leader as a facilitator of group process and techniques that group leaders find helpful in keeping groups moving in a positive direction *Modern Social Work Theory* Malcolm Payne,2005 This third edition is substantially revised and updated It offers extended coverage of many new areas of debate including evidence based practice social construction attachment theory and cultural diversity It also incorporates a variety of innovative devices to support learning whether in the classroom the workplace or while undertaking independent study Students practitioners and lecturers alike will find this third edition a vital investment and an invaluable companion

Book Jacket [Interviewing for Solutions](#) Peter De Jong,Peter Y. De Jong,Insoo Kim Berg,1998 This exciting book focuses on interviewing skills based on solution focused therapy an approach especially suited to today s practice demands in the helping professions Originally developed by Steve de Shazer Insoo Kim Berg and their colleagues this unique approach views clients as competent helps them to visualize the changes they want and builds on what they already are doing that is working Throughout the book the authors present models for solution focused work illustrated by examples and supported by research *Creative Group Work on the Campus* Louise Price,1941

Eventually, you will certainly discover a new experience and carrying out by spending more cash. yet when? complete you put up with that you require to acquire those every needs taking into consideration having significantly cash? Solution Focused Groupwork Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Solution Focused Groupwork free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Solution Focused Groupwork free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Solution Focused Groupwork free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available

for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Solution Focused Groupwork. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Solution Focused Groupwork any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Solution Focused Groupwork Books

1. Where can I buy Solution Focused Groupwork books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
