War and peace graf Leo Tolstoy, 1899 The Church's Other Half Trevor Beeson, 2011-11-30 Women have always constituted at least half of the church s membership but for almost 2 000 years were excluded from any significant part in its leadership After the example of Jesus the earliest Christian communities were wholly inclusive in their organisation but a patriarchal model derived from the pattern of the secular Greco Roman societies was soon adopted This restricted women to subordinate roles from which the struggle to escape continues However there were always some courageous and often highly talented women who sought to exercise a Christian ministry within but usually outside the church s structures Focusing on the Church in England Trevor Beeson provides short lives of some of

these Among them are several well known historical figures such as Hilda of Whitby but the majority of the book celebrates the accomplishments of women in the last two hundred years in religious life social reform literature and theology and above all in the ordained ministry More than 5000 women have been ordained to the priesthood so far and in 2012 the consecration of women as bishops is likely to be authorised Trevor Beeson reflects on the long term consequences of a momentous change in the church s life which should result in the release all its members from the restrictions of a still largely male orientated faith community *My People Are Rising* Aaron Dixon,2012-10-09 The founder of the Black Panther Party s Seattle chapter recounts his life on the frontlines of the Black Power Revolution Growing up in Seattle in the 1960s Aaron Dixon dedicated himself to the Civil Rights movement at an early age As a teenager he joined Martin Luther King on marches to end housing discrimination and volunteered to help integrate schools After King s assassination in 1968 Dixon continued his activism by starting the Seattle chapter of the Black Panther Party at the age of nineteen In *My People Are Rising* Dixon offers a candid account of life in the Black Panther Party Through his eyes we see the courage of a generation that stood up to injustice their political triumphs and tragedies and the unforgettable legacy of Black Power This book is a moving memoir experience a must read The dramatic life cycle rise of a youthful sixties political revolutionary my friend Aaron Dixon Bobby Seale founding chairman and national organizer of the Black Panther Party 1966 to 1974 *Little Arthur at the Zoo, and the animals he saw there* Mary Seymour,1887 *Proceedings of the American Association for the Advancement of Physical Education at Its ...
