Small Group Leader's Handbook, 1986* **Simple Small Groups** Bill Search, 2008-09-01 Over the past two decades small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church. Many evangelical churches have some form of small groups ministry in place. But there's just one problem says Bill Search what started as a simple get together has become a complicated process especially for small group leaders. They are often not sure what is expected of them or what to expect from their groups as a result of their efforts. In **Simple Small Groups** Search lays out the three C's of small groups connecting changing and cultivating. This paradigm helps to simplify leading small groups in a way that is helpful rewarding and life changing. Unlike many other books geared toward small group leaders **Simple Small Groups** does not require a church wide adoption of an intricately designed system of assimilation making it useful to any small group leader looking for guidance.

Small Groups in the Church Thomas G. Kirkpatrick, 1995-12-31 This planning and leader training handbook offers a distinctive broad based small group approach to building community.
